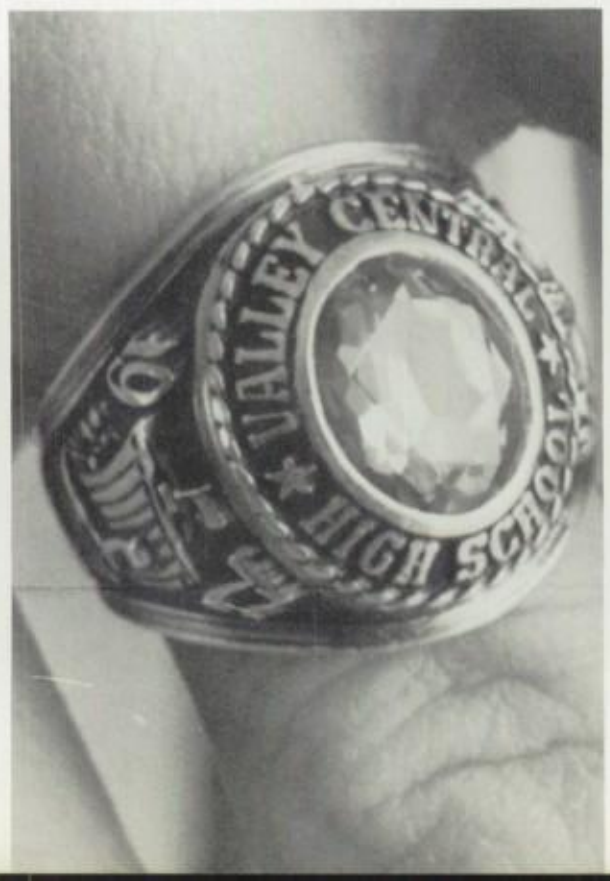
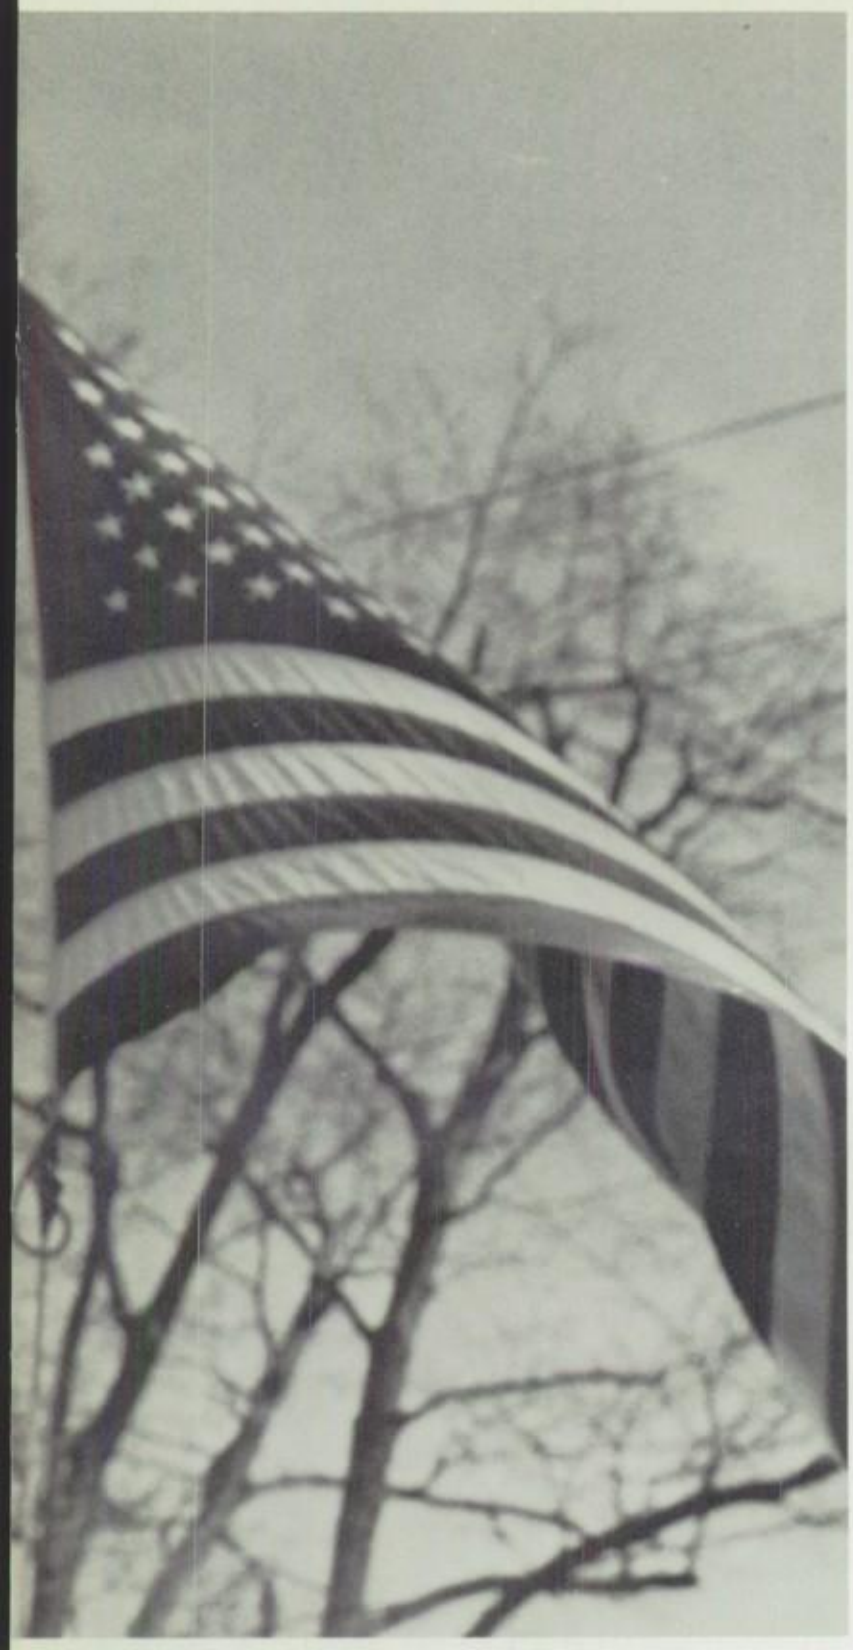
# Heritage





# Prologue

Like people, a country has its heritage. Different symbols help to identify the various aspects of one's heritage and also help to remind a person of his past.

It wasn't until the adoption of the Stars and Stripes on June 14, 1777, that this country had a uniting symbol. Individual state flags during the Revolutionary War period with slogans like "Liberty and Union" or "Conquer or die" on them kept the colonies separate from one another. Today, each state still has its own flag which flies under the United States flag as a symbol of each state's desire to identify itself as a part of the unified whole.

Each class has its own desire to be unique from one another. By ordering class pins, rings, and mugs, individuality is achieved. Each class is also a part of a whole. With the school seal as a symbol of this unified whole, namely Valley Central, comes a feeling of belonging.

It is this togetherness that brings forth the opportunity for a rich and lasting heritage to be formed. As an area, Orange County is rich in history. From Montgomery to Newburgh, one finds many historic places of events and museums like the Montgomery Academy and Washington's Headquarters that remind residents of the heritage that is deeply entrenched not only in the physical places of Orange County, but in the hearts of its inhabitants as well. Through the use of events and places during the American Revolutionary period on division pages and historic fillers on the bottom right corners of each essay and division page, the 1976 VIKING LOG Staff will give to you a history of this area. A "history book" essay at the conclusion of this book will further develop this area's heritage — a heritage this school and its community can be proud of.

VALLEY CENTRAL HIGH SCHOOL

LOYALTY SERVICE PROGRESS

★★★★★★★★★★★★★★★★★★★★★★★★★★★

The first school in Orange County was apparently established in Newburgh in connection with the then — Lutheran Church.

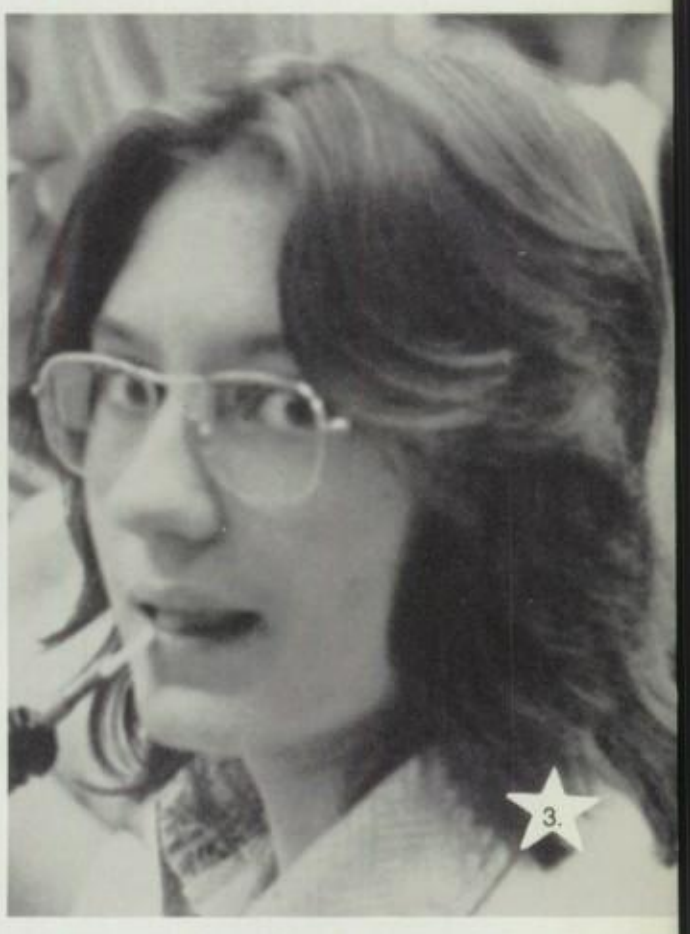
# Strength:

Deep roots make the Balmville tree strong. The administration and faculty are the school's roots, providing strength and guidance for its students.



1. Minutes before a test, Liz Litts reviews her notes.
2. "This is the nasal sound," Miss Beverly Slomka tells her class.
3. First Oboeist Sue Fitzpatrick takes a rest during band.
4. This Balmville Tree has been standing majestically since 1699.
5. Before the board meeting, Superintendent William Moran and Vice-President of the school board, Mr. Paul Engels, take a look at the agenda.
6. Attentively, Maryanne Taylor listens to the instructions for the quarterly.
7. As Mr. Gerald Graf looks on, the students prepare for the practical part of their C.P.R. test.

# Traditions:

Special events break up the routine of school life. They are, like the Annual Bull Family Reunion and Picnic, traditions that hold a school together.

5.

6.

1. Built in 1722, the William Bull Stone House is one of the oldest houses in Orange County.
2. These posters appeared throughout the halls to remind the freshmen to attend their social.
3. To add to the Christmas spirit, the Swinden twins entertain the students during lunch hour.
4. With a smile on her face, Homecoming Queen Lisa Vanek shows her school spirit.
5. Two of the performers at the FHS-SHS Talent Show were Kathy De La Rosa and Theresa Ahern.
6. Everyone looks forward to the Annual Senior — Faculty Game.
7. In the play *Rock — n — Roll*, Mike Kelly sings "Cause I Stood Her Up."
8. This Bull Family tombstone dates back to 1785.

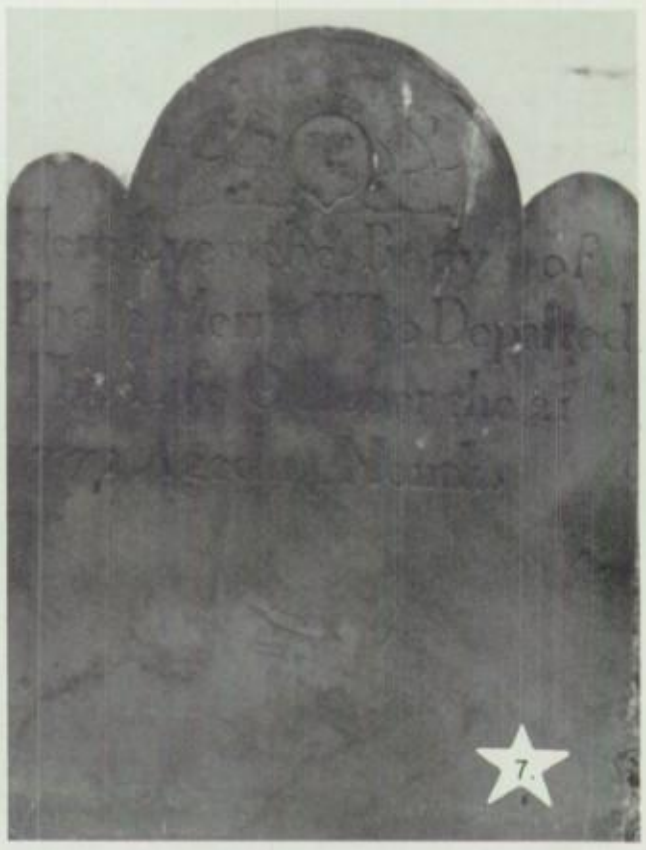
3. That must be a good report that Sam Aidala is reading to Mr. John Calvey.
4. As Mrs. Mary Digilio watches, Jeff Christian places another pie on the shelf.
5. Does my article sound all right so far?'' asks Lori Doughty.
6. One of the tri-Editors of the Yearbook, Madelene McCoy, does the tedious chore of indexing.
7. This old tombstone dates back to 1778.

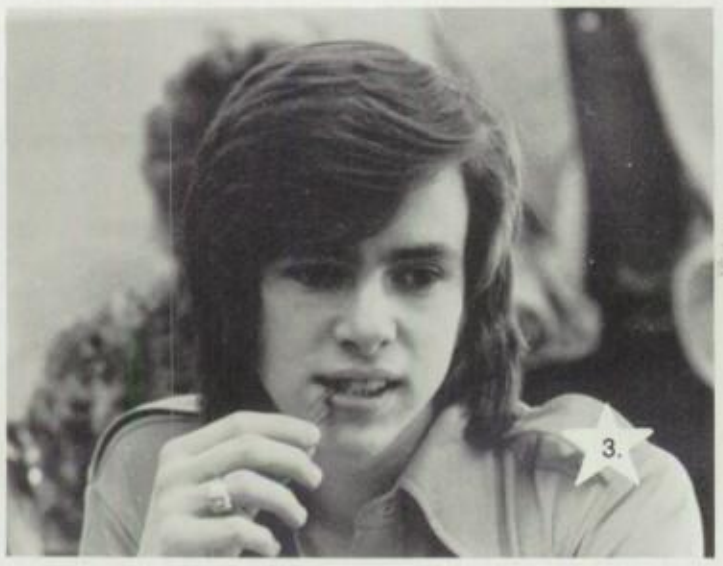
# Unity:

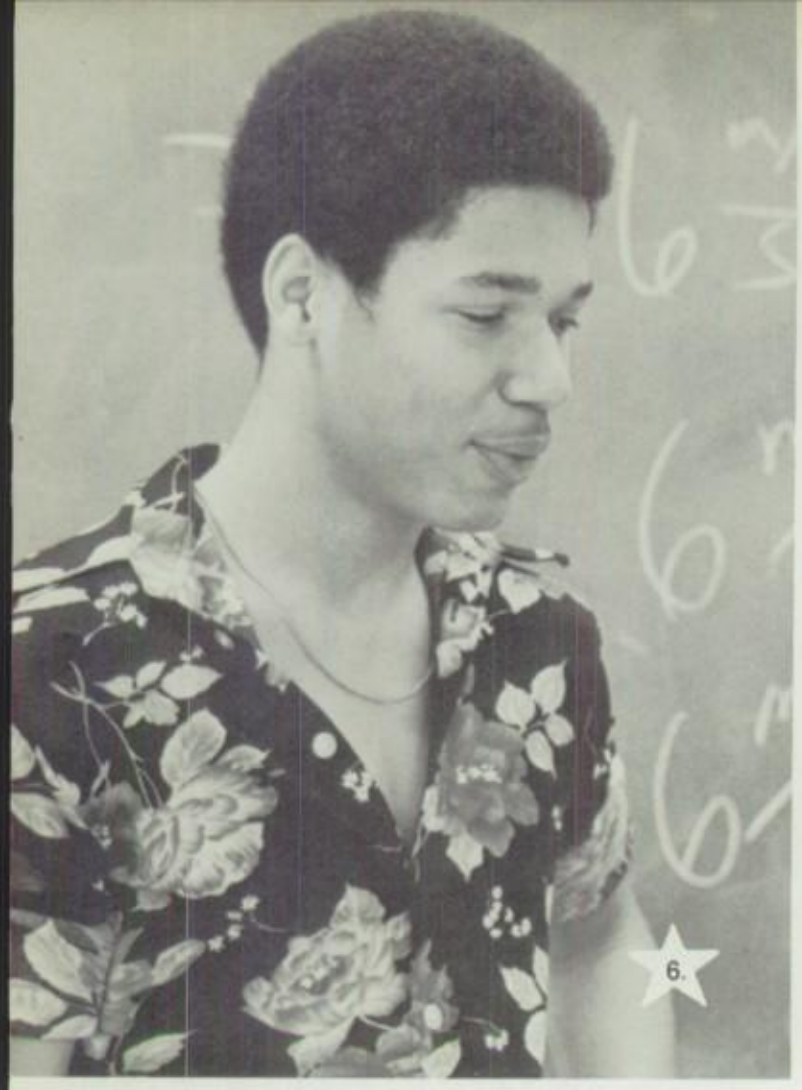
French Aid in the mode of soldiers and training helped the Americans win their victory. Unity among the members of various organizations and their working together helps to keep the school united.



General George Washington presented the first Purple Heart to Elizah Churchill for bravery during the capture of a fort.

1. Before he goes into the classroom, Kevin Bellarosa stops to visit with a friend.
2. In the classroom, Sue Dorward has a smile for everyone.
3. While Chris O'Reilly takes a test, he pauses to recall the correct answers.
4. In the language lab, Carolyn Cooper studies the conjugation of irregular verbs.
5. Washington's troops stayed at the New Windsor Cantonment from 1782-1783.
6. Ready to hand in his test is Robert Jackson.
7. In a serious mood is Helena Carmody.
8. Because she was late to school, Jackie Donohue must sign in.
9. This historic tombstone marks the grave of an unknown Revolutionary War soldier.





6.

7.

# Farewell:

Despite the relief he felt at the war's end and his joy at the prospects of going home, George Washington must have felt a twinge of sadness at leaving his troops. So, too, must the departing seniors as they leave Valley Central.

8.

9.

When George Washington's troops stayed at New Windsor, the soldiers stayed in huts.

Like the Balmville Tree, a school must have roots. Roots feed the leaves as teachers "feed" the students. Roots make the tree strong; they enable the tree to withstand the pressures put upon it.

The strength of a community is its school, and the strength of the school is its administration and faculty. They are the backbone of the educational system. They impart their strength to the students, and in doing so, instill their strength for future generations.

8.

This year the English Department headed by Mr. Kevin McFadden has set the basic skills of reading, writing, and comprehension high on its list of perogatives. The Basic Skills course, newly introduced this year for seniors, endeavors to further emphasize these fundamentals.

The curriculum for freshmen, sophomores and juniors continues to stress grammar and literature in preparation for the Regents Exam. A wide array of electives are offered for the Senior's concentration, including Contemporary Literature, Drama Workshop, Public Speaking, Shakespeare, Film Study and Journalism. In an effort to extend the opportunities of those extremely interested in literature and composition, the English Department reinstated the full year Advanced Placement course.

# American Revolution Course Added to Curriculum

6.

9.

7.

10.

With Mr. Edward Hart as Chairman, The Humanities Department, as usual, is continually innovating.

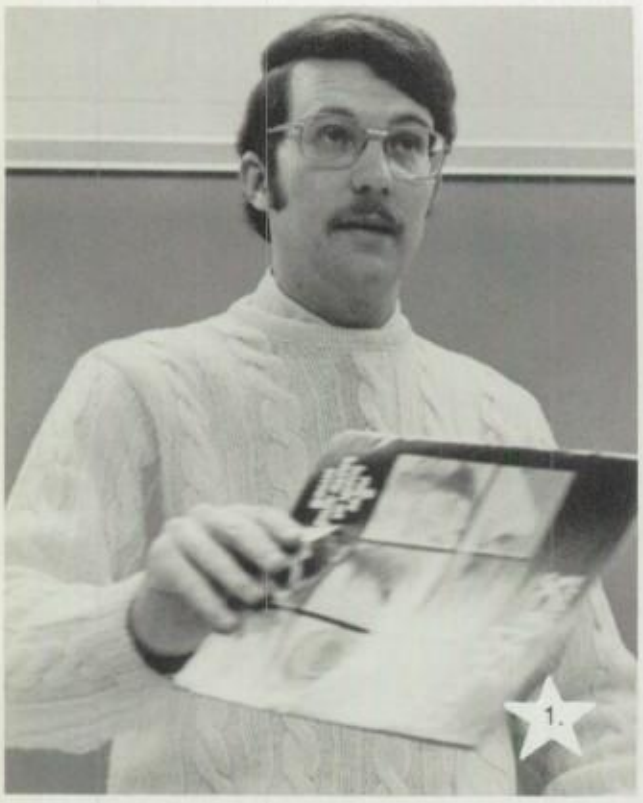
This year a new course, American Revolution, was introduced. This course, taught by Mr. Marc Newman, discusses the socio-economic political problems leading to the American Revolution. Most materials used for this subject are of primary nature such as pamphlets, tracts, newspapers, and broadsides.

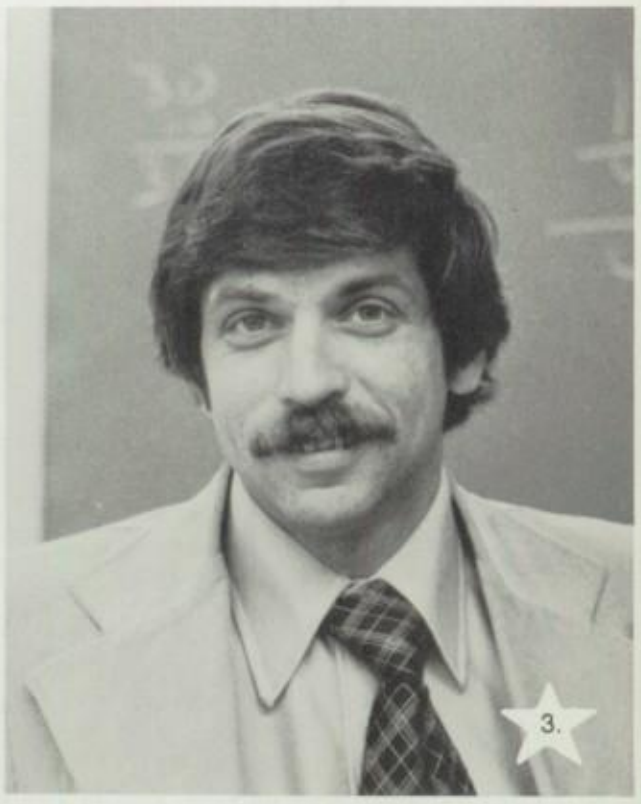
Courses such as psychology, sociology, and the required social studies fill out the curriculum of the Humanities Department.

8.

11.

Additional members of the Social Studies Department are: 6. MISS ARLINE SCHNEE: Psychology, Introduction to Afro-Asian Cultural Studies; 7. MR. ROBERT SWANWICK: Introduction to Afro-Asian Culture Studies; 8. MRS. JOAN TORETTA: European Culture Studies 10; 9. MR. STANLEY DAVIE: Afro-Asian Culture Studies, Treasurer, Valley Central Federal Credit Union; 10. MR. JOSEPH GILBERT: Social Studies 9, 10, Faculty Basketball Coach; 11. MR. JOHN HUNTER: Practical Government, Consumer Education, Social Studies 7, 8, Modified Football coach.





Dangerous tars and other chemicals accumulated from the burning of a cigarette and participation in the annual science fair highlighted the Science Department's year.

With Department Head Mr. Eldred Ross, studies in Earth Science, biology, chemistry, and physics provide students a chance to complete their sequence that is necessary for graduation.

Classes in biological science, health, and general science are also available for those students who are not interested in taking science regents but who want some science in their general education.

Those who teach the future scientists are: 1. MR. WESLEY LOVE: General Science, Freshmen Class Advisor; 2. MRS. JEAN SCHMITT: Nurse teacher, Health; 3. MR. WILLIAM TUCCI: Physics, Earth Science; 4. MR. EDWARD BROWN: General Science, Basic Physics; 5. MR. GERALD GRAF: Chemistry, SGA Advisor, Photography Club Advisor; 6. MR. # Fair Highlight of Year

Those who teach foreign languages are 1. MRS. BEVERLY SLOMKA: French II, Conversational French; 2. MISS CHRISTINE CUOMO: Spanish I, II; 3. MRS. MARY DIGILIO: Spanish II, III, IV, Independent Study Program, Spanish Honor Society Advisor; 4. MRS. MIRTA TAPANES: Conversation 1, Spanish II, III; 5. MR. LINFORD WHITE: Department Chairman, French II, III, French Honor Society Advisor.

Business plays an important role in today's society. Giving students a firm foundation in business procedures is the task of the Business Department. With Mr. Doug Jessup as chairman, the students learn how to use modern business equipment in such courses as Introduction to Business, Business Math, Typing, Shorthand, Office Practice, Business Law, and Secretarial Practice.

Added to Language Department curriculum were conversational French and Spanish. These additions were successful in helping students to learn to speak a foreign language without taking the regular three years in the language. Once again, French 5 and Spanish 5 were added to the curriculum.

As ever, the Language Department, chaired by Mr. Linford White, strove to enable students to read, speak, and write foreign languages with more ease and skill.

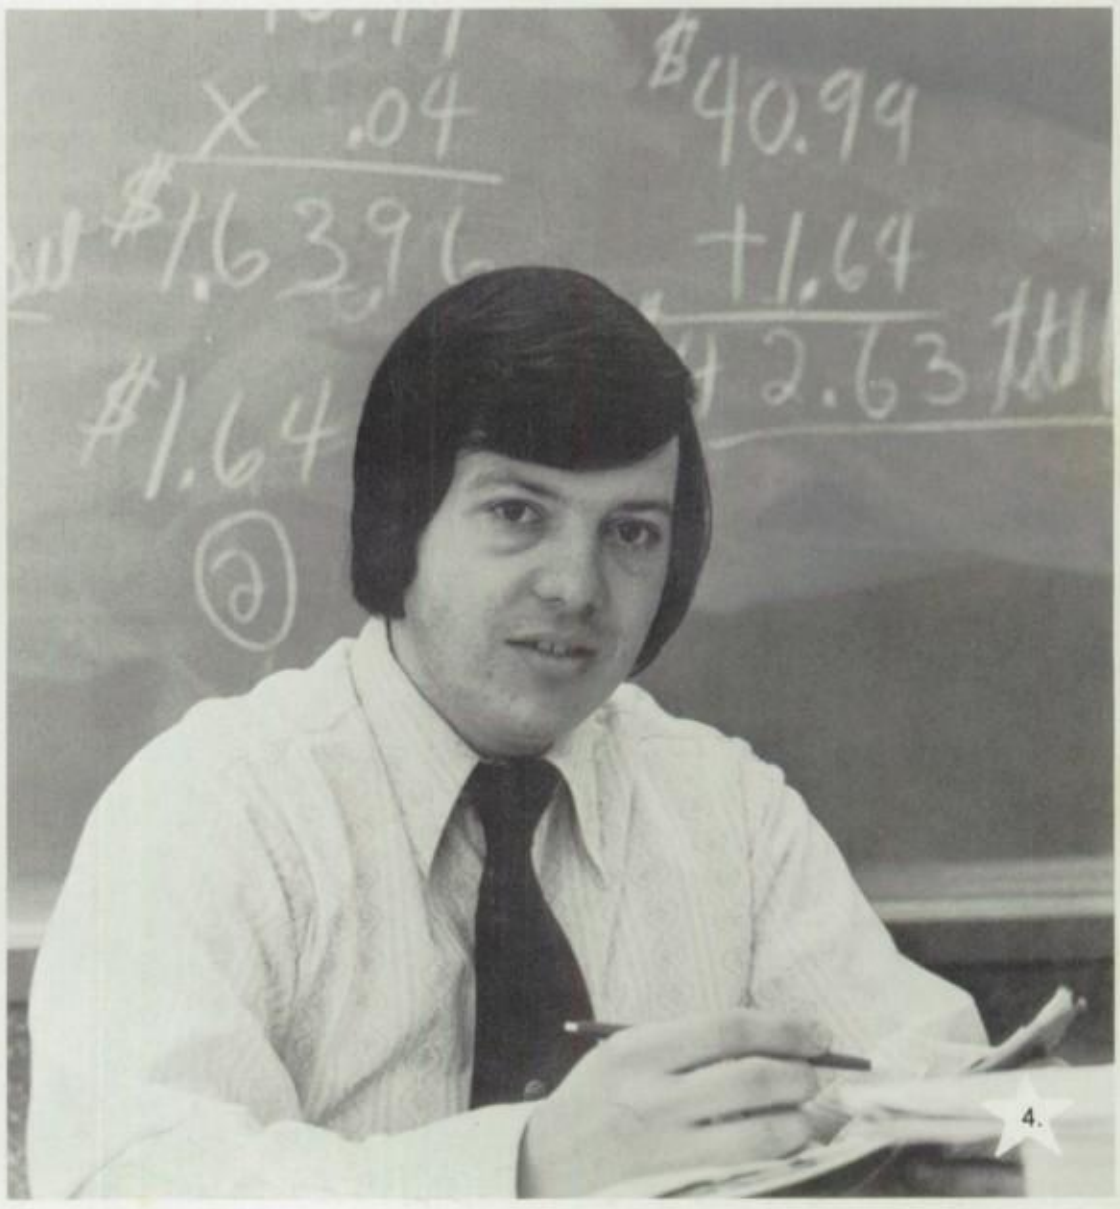
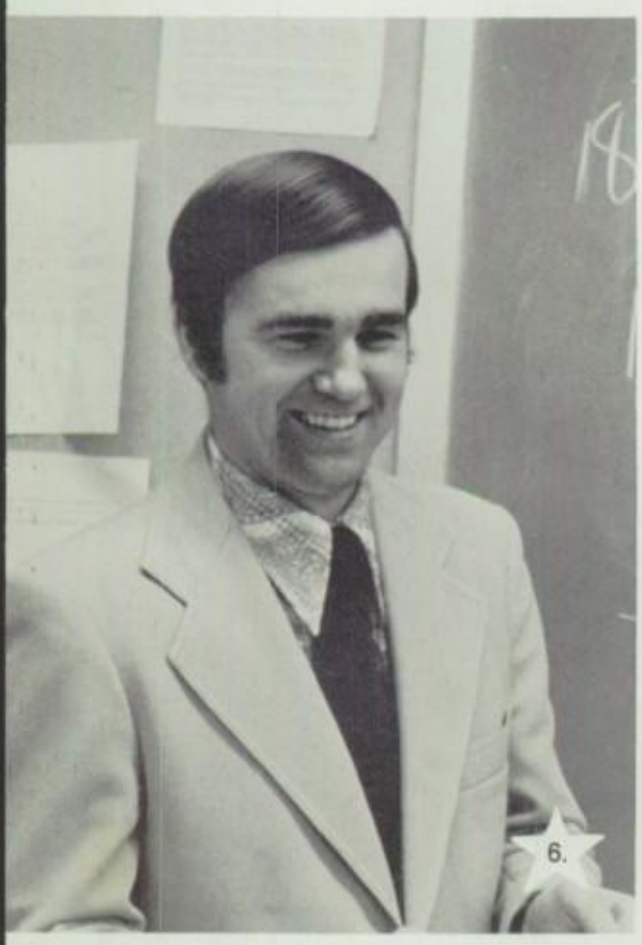
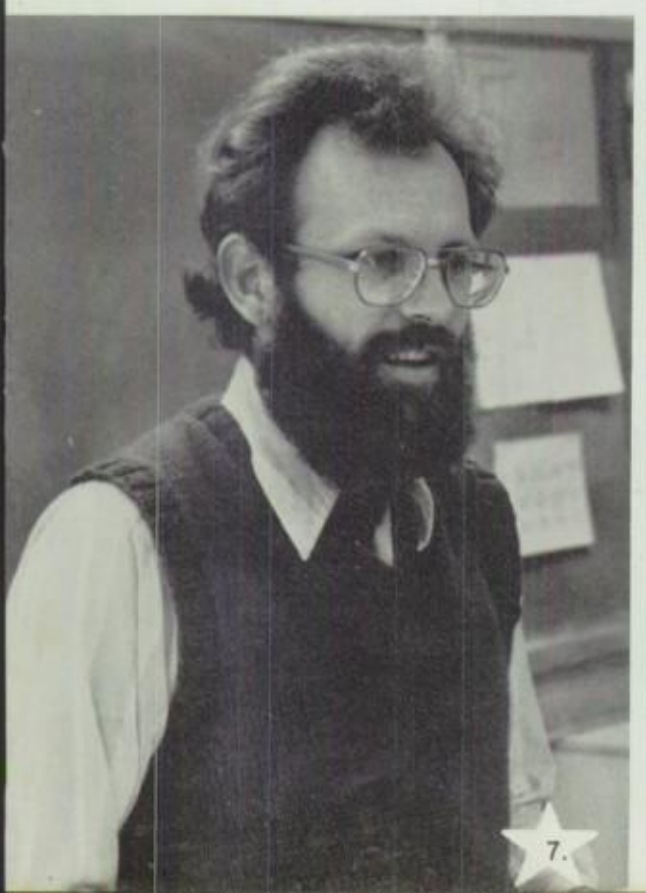
# Math Department Prepares Basic Skills Test

3.



4.



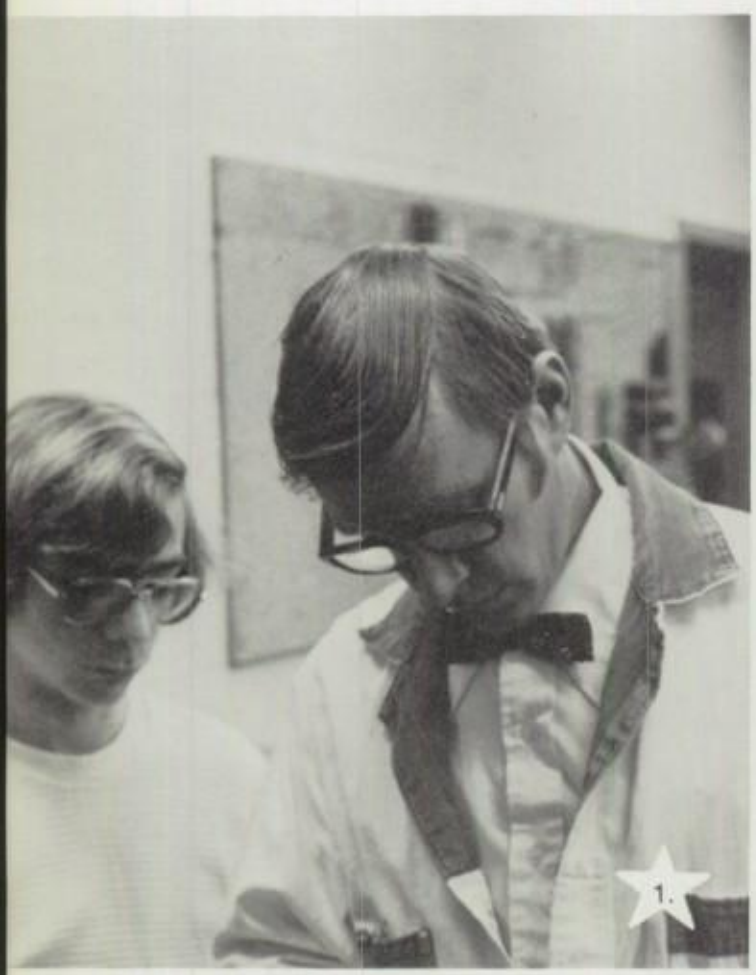


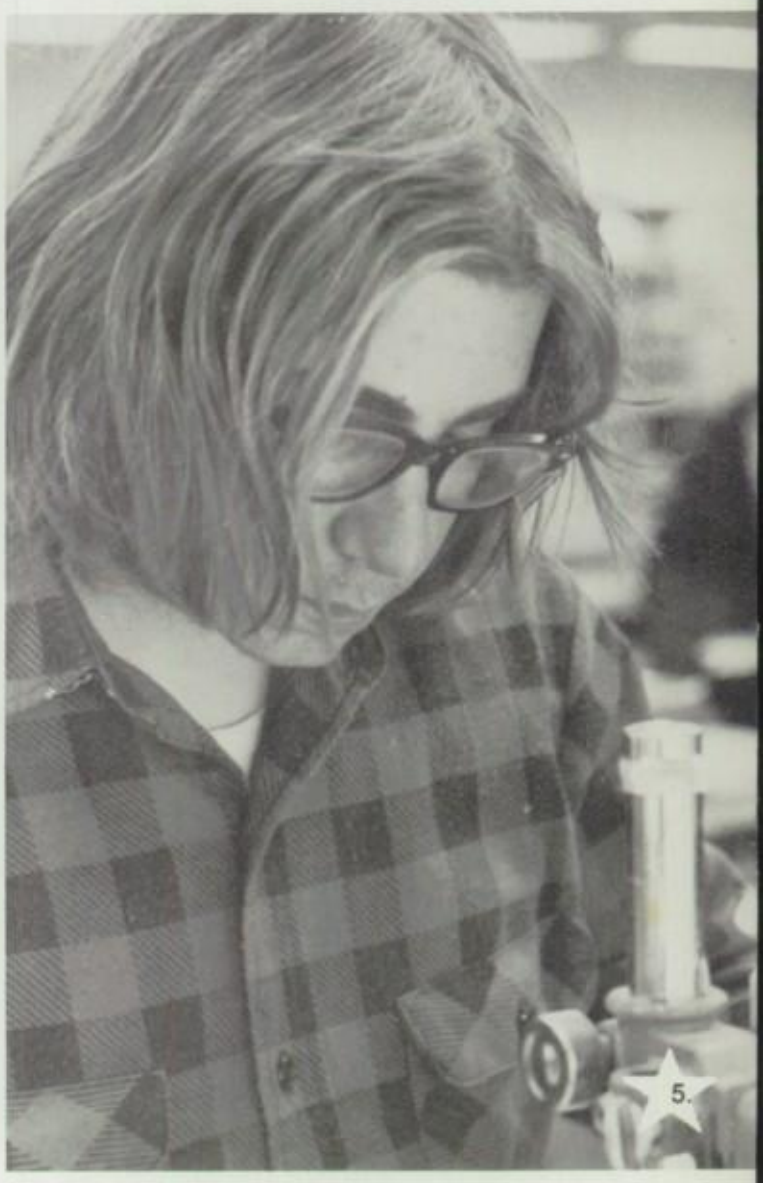
This past year, members of the Math Department spent long hours preparing a Basic Skills Math Test. In May, this test was administered to all Juniors. Those who did not pass this test will have to take a Basic Skills course in their senior year.

With Mrs. Mary Francis Morrissey as chairman, the department offers the students a variety of courses ranging from General Math to Calculus.

Members of the Math Department are: 1. MR. DONALD BROOKS: Math 9, 10, 11; 2. MRS. MARY FRANCIS MORRISSEY: Department Chairman, Math 10, 11; 3. MISS NELLIE QUINN: Basic Algebra, Algebra, Girls Tennis Coach; 4. MR. JAMES TATE: General Math, Basic Algebra, Intermediate Algebra; 5. MR. JOHN OLSEN: Fundamentals of Geometry, Math 9, General Math; 6. MR. GREGORY WINNER: Basic Algebra, Modified Track Coach; 7. MR. PHILLIP SHAFER: Math 10, 11, Calculus, Math Club Advisor; 8. MR. THOMAS KNIESER: Math 9, Basic Algebra

# Practical Arts Stress Personal Development





4. In order to produce results, Bill Mains carefully works on his new project.
5. With a steady hand, Al Di Bella begins another project in Wood Shop.
8. Patiently, Melissa Monroe waits for her bread to bake.

6.

Those teachers who teach the practical arts are: 1. MR. WALTER GODFREY: Metal Shop, Wood Shop; 2. MR. ROBERT BOND: Metal Shop, Printing, Auto Shop; 3. MR. ROBERT BROKAW: Wood Working, Electrical Shop, Department Chairman, Stage Lighting; 6. MRS. LORRAINE KITTELL: Department Chairman, Home Economics II, IV, 10, 11, 12, Junior Class Advisor; 7. MRS. ANNE ADAMS: Home Economics 9.

8.

7.

This year there was an increase from two to five boys who took the Foods and Nutrition class. In addition to this course, the Home Economics Department chaired by Mrs. Lorraine Kittell offered five other courses. They included Home Ec. II (Home Management), Home Ec. IV (Child Development), Home Ec. 12A and B (Family Relations), Home Ec. 11 (Sewing) and Home Ec. 1 (Personal Development).

With Mr. Robert Brokaw as head of the department, the Industrial Arts classes have become increasingly popular with both boys and girls. Besides wood, electrical and metal shop courses, there is a course in auto mechanics which teaches the boys to keep a car in tip-top shape. In addition, the students in the printing class perform useful duties as printing tickets for plays and other school events.

# Many Vocations Are Pursued at BOCES

1. Second year Cosmetology Student Sue June practiced on her willing (?) subject.
2. Basic techniques of cutting wet hair is practiced by Connie Sandhage.
3. "There is much paper work to do when you learn Nursing," says Joann Yancewicz.
4. A helping hand is given to Theresa Paglen by Colleen Roth.
5. Junior Sue Jacobson gives her customer a permanent wave.
6. Sisters Donna and Marie Santora practice their skills on each other.
7. Potential books for Story-Telling time are reviewed by Debra Brown, Audrey Davis, and Marion Davis.

4.

6.

5.

7.

Actual working conditions and trained professionals are the key to the success of Orange County's Board of Cooperative Educational Services (BOCES). High school students who want to learn a trade may attend courses in Licensed Practical Nursing, Child Care, Data Processing, Cosmetology, Auto Mechanics, Building Construction, Plumbing and Heating, Trade Electricity, Commercial Art and the training of the Standard Bred Horse.

The students in this program participate in state wide competition. Winners in county contests go on to national and international competitions.

1. Commercial Art Student Andy Ritter learns how to focus a camera.
2. Secretarial skills are developed by Christine Davidson.
3. "Multi-key IBM machines are complicated to learn," claim Renée Marcel and Debbie Marcinak.
4. Errors are few and far between for Business Student Cindy Moore.
5. Different methods of printing are used by Jenny Jeltsch.
6. Creative Advertising is Gwen Weller's specialty.

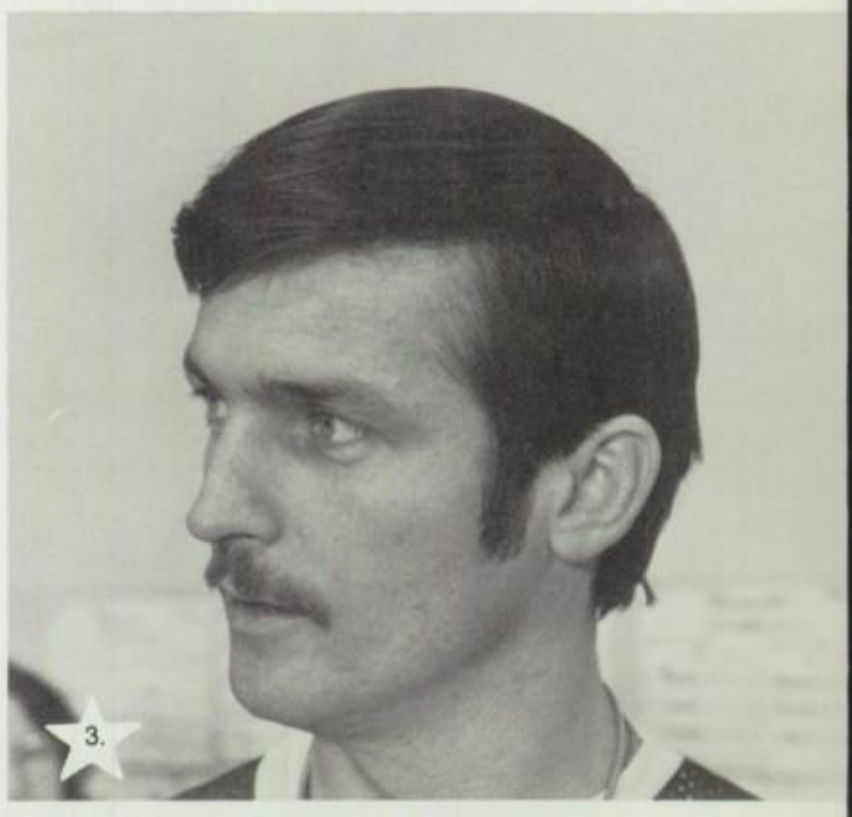
Keeping the students in good shape are: 2. MISS LOUANNA WALTERS: Physical Education, Girls' Soccer Coach, Girls' Softball Coach, President, Orange Interscholastic Athletic Association, Women's Division; 3. MR. GEORGE COATES: Physical Education, Varsity Football Coach, JV Basketball Coach; 4. MR. JOSEPH BAYNO: Physical Education, Varsity Baseball Coach; 5. MR. HUGH HURST: Athletic Director; 6. MRS. REBECCA DRUTTMAN: Physical Education, JV and Football Cheerleader Coach, Ski Team Coach.

1. "Let's go get 'em!" think Annette Williams, Sue Rusch, and Debbie Brown.
9. Volleyball was a popular gym class activity.

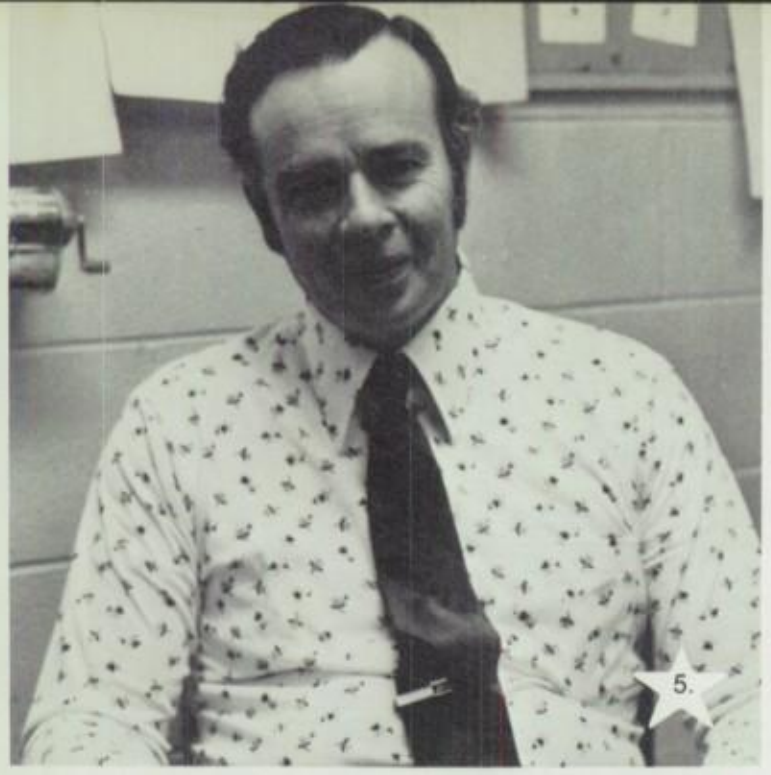


# Hurst New Athletic Director

During this school year major changes took place in the Physical Education Department. These were brought about by the new Athletic Administrator, Mr. Hugh Hurst.

The course curriculum was broadened in the winter activities. New were gymnastics, basketball, and ping pong. After school, competition between gym classes ended with champions in basketball and ping pong. Another new sport played at V.C. was floor hockey. This, too, had playoffs for champions.

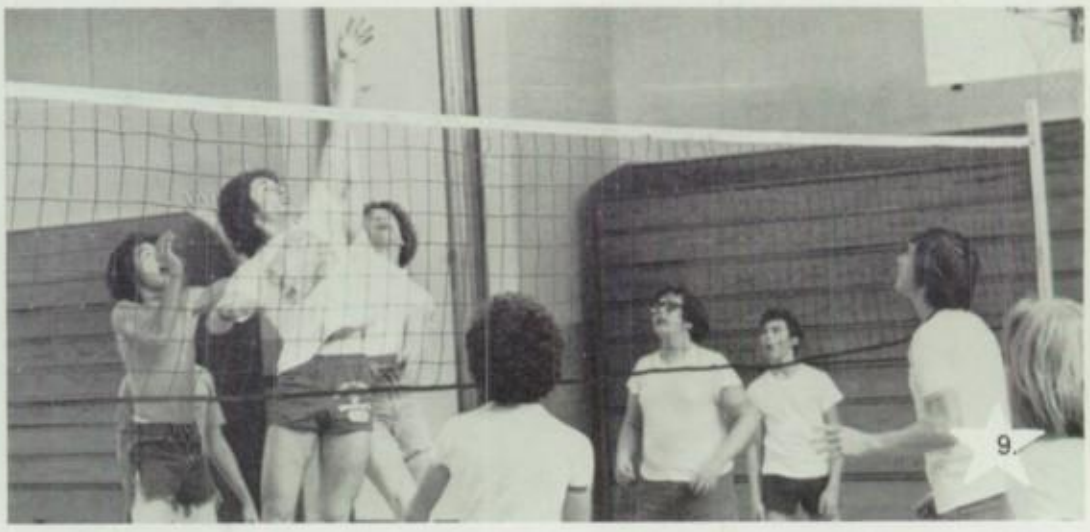
The spring agenda included useful sports such as tennis lessons, golf, baseball, track and field plus other courses in basic camping techniques and hiking.



Driver Education plays an important part in the school curriculum. It teaches the students how to prevent accidents and to pass their road tests.

With instructors Mr. John Napolitano and Mr. Gregory Smith, the students learn defensive driving. After the course is completed, the seniors receive Blue cards which enable them to receive a reduction in car insurance.

Driving Instructors are: 7. MR. GREGORY SMITH and 8. MR. JOHN NAPOLITANO.



# Driver Education Stresses Safety

Voice classes, music theory, and A Cappella fill only part of the busy schedule of Mr. Donald Rommé, Music Department Chairman. Mr. John Nash and Mr. John De Francisco give band and private music lessons to many students. All these lessons prepare the students for many concerts and other school and community related activities.

1. Music for the coming production of *Paint Your Wagon* keeps the Department Chairman busy.

2. MR. DONALD ROMME: Department Chairman, A Cappella Choir, Mixed Chorus, Music Theory, Voice. 3. MR. JOHN NASH: Instrumental Music Lessons, Wind Ensemble, Concert Band, Marching Band, Color Guard Advisor, Twirling Advisor.

For those who like to be creative, the Art Department offers a variety of courses and mediums to its students. For example, in Drawing and Painting 1, the artistic students get a chance, at the end of the year, to use oils on canvas board.

In Drawing and Painting II, students learn about the different art movements from impressionism to abstract. In addition, they get to stretch their own canvas and experiment in the various art mediums.

During the spring, Chairman Mrs. Janet Gridley and the department sponsor an art show in the courtyard. At this time, the students exhibit their creative endeavors. In addition, the Antique and Art Show in May provide another outlet for the talents of VC art students.

4. MRS. MARGARET KENNEDY: Ceramics, Studio Art, Art Club Advisor; 5. MRS. CAROL MAAS: Crafts, Studio Art, Mechanical Drawing 1, Art Club Advisor; 6. MRS. JANET GRIDLEY: Department Chairman, Drawing and Painting I, II, III, Studio Art, Mechanical Drawing IIA, IIIA, *Revelation* Advisor

# Art, Music Give Students a Creative Outlet

Senior Advisor Mr. Sam Tucker points out the different college catalogues to an interested senior.; 9. MR. ARMAND CAPUTI: Grade 10 Counselor.

# Counselors Important to VC Students

6.

7.

8.

9.

Once again the guidance counselors, an important part of Pupil Personnel, took students according to class rather than in alphabetical order. Each counselor stayed with his class of the previous year. Since Miss Margaret Park lost her group with graduation, she was blessed with the incoming freshmen class.

There is always a bustle of activity in this office. Computing senior averages and senior ranks, sending college transcripts, helping students with problems, and taking care of incoming students keep this staff rather busy.

Besides Mr. Leo Flax, who is the chairman of Pupil Personnel, the department includes Mrs. Harriet Kissel, the attendance supervisor; Mrs. Paula Lewis, speech therapist; and Mr. Kiernan Kennedy, the school psychologist.

# Valuable Services Performed by Special Teachers

In the Health Suite, Mrs. Jean Schmitt, the School Nurse, is always busy with some task. Students who are ill or injured come to her. In addition, they come here for sports physicals, hearing and vision tests.

In the Theda S. Gillespie Memorial Library, with the help of Miss Nellie Brower, librarian, one can find a wealth of information. This can be anything from an author's life to the formula of a chemical compound. As usual, there are also many new and exciting novels to please any taste.

1. MRS. JEAN SCHMITT: Nurse Teacher, Health, Nurse's Aide Service Club Advisor; 2. MISS NELLIE BROWER: Librarian, Library Service Club Advisor, Gradus Honoris Advisor;

Rather than going through the frustrations of trying to keep up with their friends in classes they could not understand, Miss Davis' Special Education Center provides an opportunity for those students who have learning disabilities to progress in a gradual, rewarding system. Students in this program learn practical things like balancing a check book, figuring out budgets, changing money, and personal grooming. When these special students graduate, they will skillfully be able to function by themselves in a hectic, fast-paced society.

3. MISS PATRICIA DAVIS: Special Education Resource Room Teacher, Swim Club Advisor, FTA Advisor; 4. In the library, Marie Patrick takes time out from her reading to do some day dreaming.

Homecoming weekend started on the evening of November 7th with the bonfire. A small, enthusiastic crowd showed up to watch the fire and cheer the team.

On Saturday afternoon, Monroe-Woodbury and V.C. kicked off the Homecoming game. During halftime, the annual parade of floats started with the "Fresh Fries" for the freshmen, "We're the best for '78 for the sophomores, "Spirit + Wisdom = the class of '77 for the juniors, and a ringing Liberty Bell for the seniors. The freshmen's large order of fries and a hamburger won the float competition.

Despite the loss to Monroe Woodbury in the football game, (6 to 0), the students of V.C. were still in high spirits for the dance that night. Lisa Vanek was crowned Homecoming Queen, following her sister's footsteps. Couples danced to the music of Liquid Crystal, talked, and generally had a good time. Finally, it was the end of a perfect weekend.

# Rock — n — Roll Plays to Sell Out Audiences

During the 50's, life was wildly unpredictable. What else could have been a better time period for the Seniors to dramatize? On November 21 and 22 they presented *Rock — n — Roll* by Michael Fingerhut and David Cothrell.

This musical first, as far as class productions are concerned, was a spectacular showing for the cast of rarely-seen-before singers and dancers. A generally humorous play, *Rock — n — Roll* also had its tender and nostalgic love scenes.

With the full-scale ticket sale effort, the Seniors predicted the success of their production when they sold out the auditorium for both presentations. The success was largely due to a cooperative cast directed by Mr. Lignori who was assisted by Mr. DiLorenzo and a diligent council under the supervision of Mr. Calvey.

1. "We'll do better in the next game!" Darlene (Sharon McGavin) explains to the cheerleaders.
2. Musical Director Paul O'Reilly and Director Mr. Jim Lignori hold a conference.
3. "I wonder if he *really* loves me???" signs Betsy Lou (Jana Reichle).
4. Stagemanagers John Upchurch and Dave Kelso are pleased with the success of *Rock — n — Roll.*
5. In a quiet corner of Mom's Pop Shop, Mannfred (Chris O'Reilly) tells Mary Jean (Theresa Paules) of his love for her.
6. Woefully and with friends Mannfred and Duffy (Graig Schumann) as back-up, Corndoggie (Mike Kelly) relates why he could not take Betsy to the prom.
7. Before he could become a member of "The Wheels", John Panaro had to be made up to look the part.
8. Identical twins, Mary Gale and Sally Kay, (Melissa Mallorey and Ann Lukacs) enjoy their lollipops as Bumpers (Sue Heck) tells about her boy problems.
9. Ushers for the Senior Play were: BOTTOM ROW: Bonnie Metzing, Joanne Murphy, Kathy Privitera, SECOND ROW: Peter Herries, Keith Bond, John Smith, Betsy Smith, Dale Wilson; THIRD ROW: Dave Cocks, Dave Pruschki, Kevin Sullivan, Tom Chase, Nancy Engels, Charlie Davis, Kyle Cavanaugh.

Both the Seniors and the Faculty held their annual basketball showdown on March 5, 1976. The event, sponsored to finance the bicentennial graduates' endeavors, proved to be a success for the two faculty teams.

Clad in red, white, and blue t-shirts, the Liberty Belles made a gallant effort to surpass the women faculty. With seconds to go, Miss Lois Pasquale showed her skill and wound up the game with two successful foul shots for a score of 10-12 in favor of the women.

At the break between games, ribbons, curls, ponytails and the squeals of little children flooded the court as the seniors began their parody of "Mary had a Little Lamb." Mary's lambs were greasers that were chased from the gym by trench coat clad cops.

Heralded by Liberty Belle Cheerleaders, the Minute Men were succumbed by men faculty with a score of 22-38.

Conflict between England and her American Colonies resulted in a War for Independence. Brave soldiers fought gallantly on both sides for what they hoped would be a victory.

The opposing sides in an athletic contest also lead to a conflict. Keen competition between individual athletes or entire teams make for exciting matches and games. When the athletic conflict is resolved and each team has done its best, then it matters not who won or who lost.

Led by Coach George Coates and Co-Captains Charlie Davis and Bob Timke, the Gridders ended the season with a 4-5 record. Only a meager 17 points separated victory and defeat in the losing contests for the whole season.

Despite the five losses, Valley Central managed to maintain number one status in defense in the Orange County Football League. During the entire season, only 90 points were scored against Coach Coates' squad. As a result, Wayne Pederson was named the Most Valuable Defensive Player in the league. He was also named to the Tri-County First Team Defense as tackle and to the All State Fourth Team. Charlie Davis was selected for the Tri-County First Team Defense as tackle and Honorable Mention as a running back. Charlie was also named to the Orange County First Team as linebacker and to second team as a running back. He was also chosen as linebacker for the All State Second Team.

A highlight of the year was the outstanding performance by the Vikings during the Valley Central — Port Jervis game. It was a super team effort to hold undefeated and highly favored Port Jervis to only a 10-6 victory.

The Vikings proved to be commendable young men this season. They gained invaluable experience participating in such pressure-filled, close ballgames, and yet, never lost their poise during these efforts. Certainly Orange County can look forward to the 1976 season with eagerness and confidence and back to the '75 year with PRIDE.

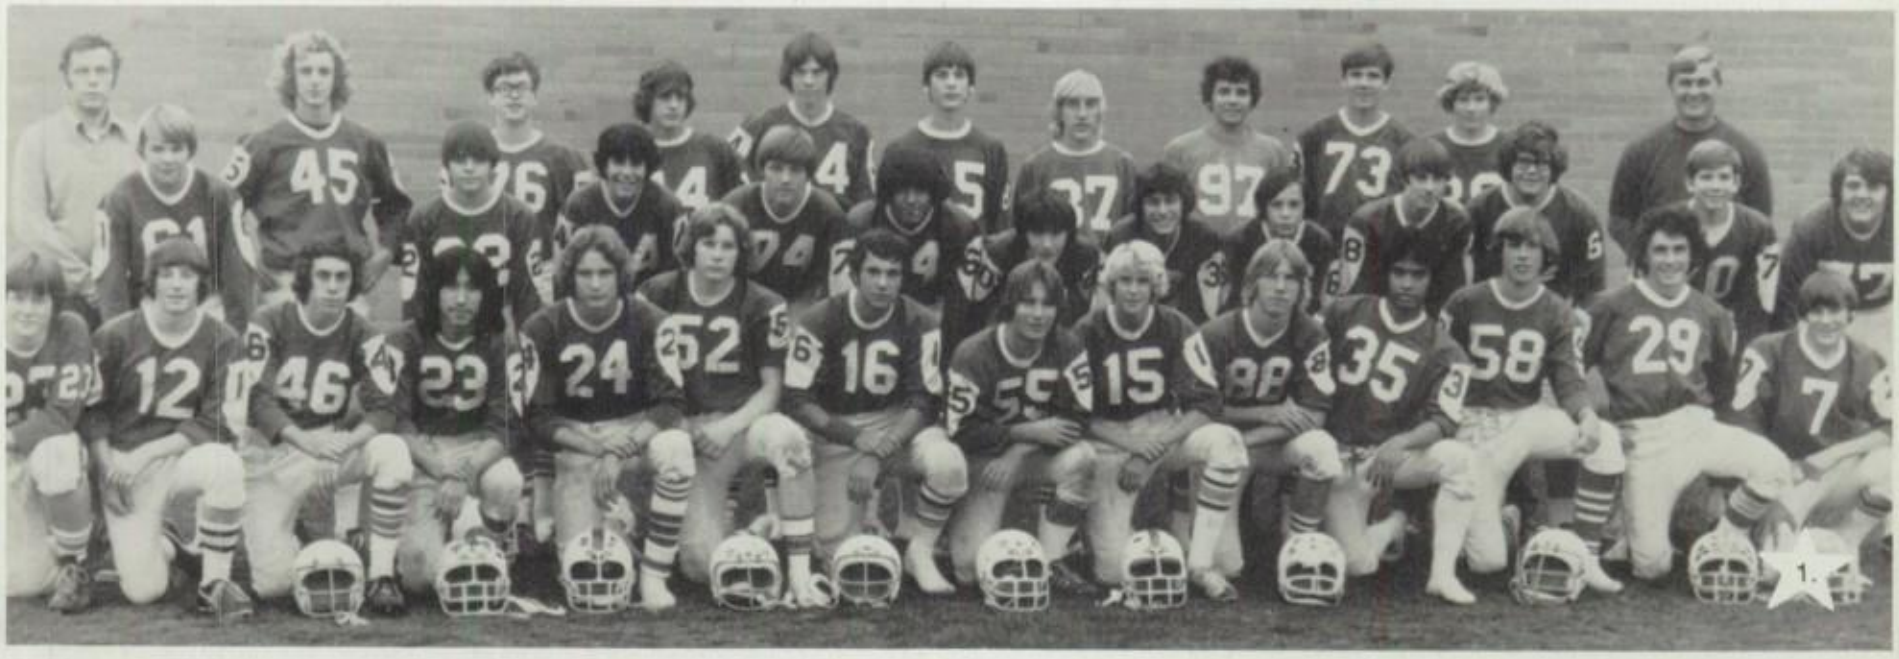
# Davis, Pederson Earn Berths on State Team

# JV Football, Girls' Tennis Have Dedicated Players



This season the JV Football Team had a record of 5-4. The sensational passing and receiving duo of Mike Bartle and Greg Miller was responsible for over 1,200 yards in the air. In the Warwick game alone, Bartle had 408 yards in passing while Miller had 236 yards in 9 completions. This helped to give the team a 36-24 victory.

In addition, Glen Sherwood and Ken Dolson added to the team's strength with their hard running and blocking combination. Other notable defense stand outs were Mike McMahon, Michael Engels, Cliff Bell, Tom DePew, and Kip Score.

Head Coach Rodney Clune and his assistant Coach Mike Steele have every right to be proud of their young Vikings.

The Girl's Varsity Tennis Team, with Miss Nellie Quinn at the helm, finished its 1975 season with a 0-10 record. This was actually a building year for the young netters. With graduation, the team will lose its Captain, Jane Crosby. All the other girls will return next season with more experience and enthusiasm.

# Booters Earn Bid for Section 9

BOTTOM ROW: Jim Davenport, Tim Balogh, David Kelso, Brian Paz, Brian Schumann, Ray Baty; SECOND ROW: Jack Kramer, Martin Enright, Jeff McCormick, Sean Ryder, David Pruschki, Dale Wilson, John Kelso, Roy Tillenburg; THIRD ROW: Cheri Holzschuh, Debbie Davie, Sharon McGavin, Frank Tandoi, John VanWyke, David Cocks, George Timke, Craig Schumann, Mike Kelly, Steve Cook, Nick Fowler, Mike Mills, John Purcell, Ernie Pettine.

With Co-Captains David Pruschki and Sean Ryder, Head Coach Ernie Pettine's Varsity Soccermen compiled a league record of 7-4-1. This enabled them to capture fourth place in the Orange County League.

With an overall record of 10-5-1, Monticello was the only team in the league to beat the Vikings twice. The booters, for the first time, went on to defeat Newburgh Free Academy with an impressive score of 4-1.

Their first contest of the year was the Nanuet Invitational. Here, the Booters earned a first place title. The team also got a bid to play in the Section 9 Tournament where they lost to Nyack with a score of 2-0.

When the season ended, the Soccer Team had compiled 42 goals. In the lead was Jeff McCormick with 12. John VanWyck and Dave Pruschki each had 6. The team also had 39 assists. Next year Valley Central can look forward to a very experienced forward line.

1. Sophomore Marty Enright knees the ball away from his opponent.
2. In an attempt not to lose his patience, John Purcell keeps the ball in his control.
3. Captain David Pruschki boots toward the goal.
4. "Head it towards the goal," Jeff McCormick says to himself.

# Smith, Brown Lead Vikingettes Through a Tough Season

Under the direction of Coach Luanna Walters, the Girls' Varsity Soccer Team compiled a 1-5-3 record. Four year Veterans Betsy Smith and Lori Brown were co-captains of the team.

The girls got off to a slow start by losing their first two games to Warwick (5-2) and Minisink (5-2). The Booters played a tough first game with Warwick, the eventual OCL Champ. However, losing to Minisink did not hurt their enthusiasm. They came back to win their next two games against Goshen (4-3) and Chester (3-0). The score was 2-2 at end of the fourth quarter in the Goshen game and in the first of the two overtimes Goshen scored. In the second, Donna Stickles, assisted by Ann Lukacs, scored, and a Lukacs penalty kick enabled the Vikingettes to win. In the Chester game, Left Half-back Betsy Smith made her only goal of the season on a direct kick from 25 yards outside the penalty circle.

In the next games with Goshen and Chester, the Vikingettes could not score but neither could the opposition. The Booters went on to lose the next three games to Burke, Warwick, and Minisink.

Junior Jan Timke led the team with goals and Cathy Cook had the most assists. With graduation, the team will lose 8 of its valuable players.

# Massen's Booters Ends Season with 11-3-1 Record

Coach Ken Maasen's Junior Varsity Soccer Team completed an excellent season with a record of 11-3-1. After losing the first two games to Middletown and Monticello, the JV Booters came back and won 7 games in a row. These young soccer stars managed to score a goal in every game.

Freshman Eric Bartle and Sophomores Andy Concors and Dave Doucette were among the top ten JV linemen in the league. Kevin Geiger was the best fullback in the JV League. Linemen Eric Bartle and Andy Concors both scored 9 goals during the season. Concors had the most assists with 5 and he also had 3 penalty kicks. The team's totals for the season were 35 goals, 19 assists, and 3 penalty kicks.

It was another super year for Coach Martin's Cross Country team as they chalked up an 8-2 regular season record and a 5th place finish in the Section IX Meet.

Super Star Dave O'Connor had another fantastic year. Even though he finished 39th in the state meet, he redeemed himself by winning easily at Cortland. Here, he beat the top state runners who had won at the New York State Meet. O'Connor had victories at the Albertus Magnus Invitational and in the Westlake Invitational. He also placed second in the Orange County Championship. Seniors Peter Herries and Keith Bond completed their last Cross Country season by winning a trophy or medals at all invitationals. The Girls Cross Country also did well. Donna Kirchner and Ruth Davie represented Valley Central at the State Meet.

This year the Ski Team coached by Mrs. Becky Druttmam, had a very disappointing season with the girls placing third in their division and boys placing fourth.

During the season, the team raced Middletown, Monticello, Warwick, and Monroe-Woodbury in their weekly races. Monticello was unchallenged in both the girls and boys, but the competition was close with the other schools. Since "off days" plagued many of the top racers on both teams, this resulted in the low placing in the Orange County League.

In the Section 9 races, the girls placed sixth among seventeen schools. Sharon McGavin missed the state meet by one place with an eleventh place finish in the slalom. She placed thirteenth in the Giant Slalom and came in eleventh place overall. Dave Vermilyea led the boys in the sections to a seventh place finish out of twenty-two schools.

Next year the team will lose four seniors through graduation.

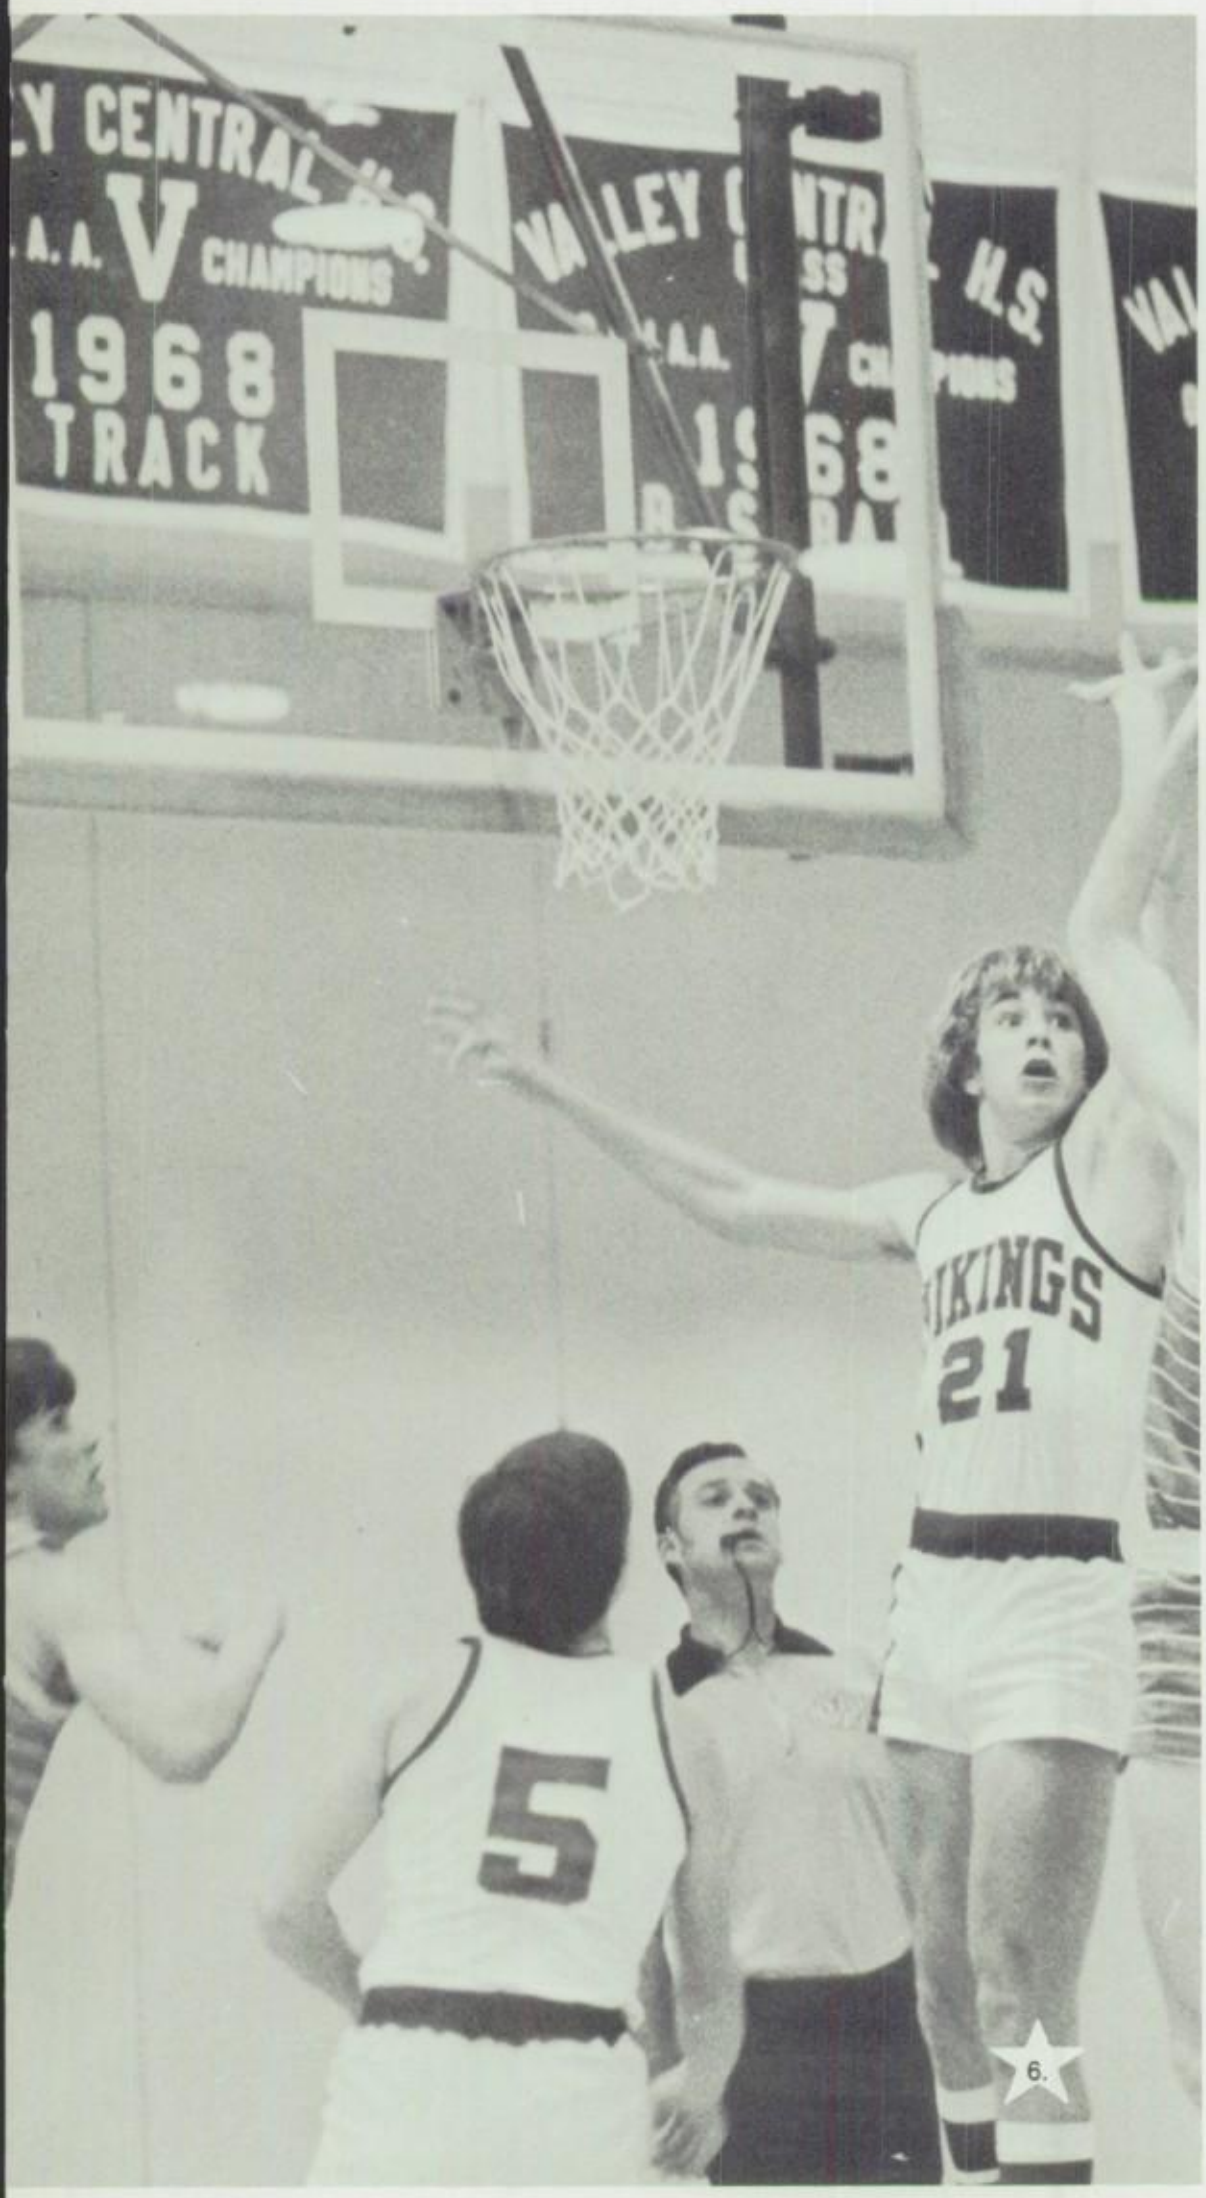
# Hoopsters Take 2nd Place in Orange County League



Coach Ed Rechtorovic's Hoopsters had an outstanding 12-6 season, earning them 2nd place in Orange County League. As a result, the team earned a berth in the Section IX. The Vikings also won the Christmas tournament that was held at Valley Central.

Falling to the Vikings were such strong teams as Middletown and Monticello. However four members of this team, Kyle Cavanaugh, Ron Decker, Tom Turk, and Steve Charles, will graduate. Remaining will be Juniors Bill Moran and Top Rebounder and Scorer Rich McClearn who should balance the strength which should lead to another excellent season.

The team placed three players in the Wallkill All-Star team. They were John Purcell, Bill Moran and Rich McClearn, all who will be returning next year.

This year's JV Basketball Team under the new leadership of George Coates, posted a 12-6 record. The Vikings had a young team consisting of mostly freshmen. With Greg Miller and Mike Bartle as Co-captains, other members of the team were Tom Ferraro, Eric Bartle and Mike McClearn. The sixth man was Clyde Lince.

Highlight of this season's play were Tom Ferraro's 40 point performance against Sugar Loaf and Miller's 37 points against Middletown.

With a new coach, Jim McNeeley, the Freshman Team ended the season with a 7-6 record, highlighted by Jack Goldstein who averaged 24 points a game.

Other outstanding players were Steve Garrison and Joe Korpics who were noted for their defensive play. Randy Diehl chipped in for 17 points against Washingtonville and averaged 12 points a game.

One of the most successful teams this year was V.C.'s Girls Basketball team. The team posted a 9-4 record and placed 2nd in its division.

Under first year Coach Mike Steele, the girls got off to a slow start, but by the second round, the team was going strong. Led by Sophomore Sarah Smith, Junior Donna Stickles, and Senior Ann Lukacs, the Vikingettes used smart offensive plays and strong defensive rebounding to defeat the majority of their opponents.

The talent and strength of the underclassmen indicates that next year should be a promising season.

Sarah Smith and Ann Lukacs were named to the Wallkill Valley All-Star Basketball Team.

1. BOTTOM ROW: Debbie Brown, Kathy Cook, Donna Stickles, Jan Timke, Alyson Skibitsky SECOND ROW: Manager Stacey Brescia, Mr. Michael Steele, Helen Hraniotis, Val Upchurch, Gigi Baty, Kelly Nelson, Terri Wegniak, Melissa Mallory, Darlene Dorner.

With coach Gene Martin and his assistant, Bob Decker, the Indoor Track Team ended its year in March after a mediocre season. The Vikings traveled to dual meets at West Point and big invitationals from Rhode Island to New York City.

In county competition, the Vikings finished third backed by first places from David O'Conor (mile and two mile), Carlos Medina (1000 yard run), and Rich Ryan in the high jump. V.C.'s two mile relay team set a new school and county record of 8:10:8. Carlos Medina and David O'Conor represented the team at the State Meet at Cornell University. Here David O'Conor won the two mile in 9:11.6 to set a new state record. O'Conor is the first state champion in the two mile from Valley Central.

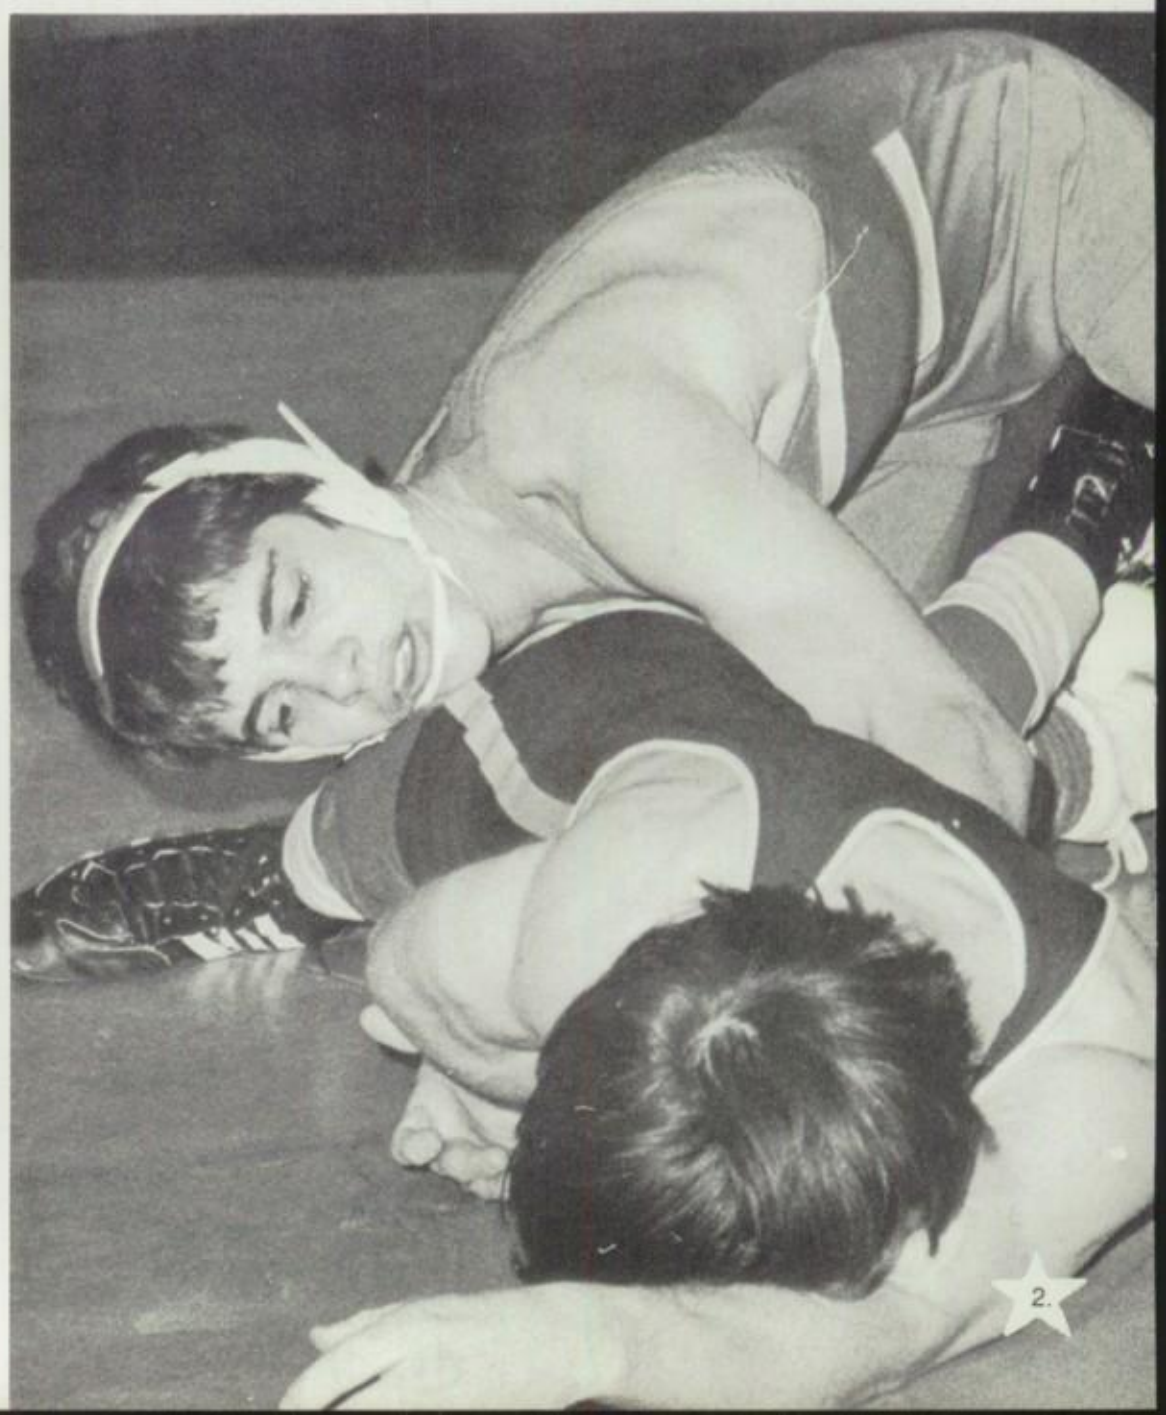
# Tim Davis Captures County Title

Under the stern direction of Coach Matt Rechtorovic, the Varsity Grapplers finished the season with an impressive record of 10 wins and 4 losses. In the Orange County League the team placed 4th behind such strong teams as Port Jervis, Minisink Valley, and Washingtonville, who were the only teams the Vikings lost to during league play. These 3 teams were also their first league matches. They then came back to win their next 7 matches, posting outstanding victories against Middletown 50-9, N.F.A. 44-11 and James O'Neil 45-11.

At the 100 pound weight class, Mike Raimondi remained undefeated throughout the season, losing only in the county meet and Section 9. His overall record for the year, as a sophomore, was 24-2.

In the team's opening league match against Minisink Valley, Co-Captain Jay Weller, (16-5), dislocated his shoulder and missed 4 matches. The team missed the help of its Co-Captain and lost the next two matches. However, the team managed to beat Monticello 45-11.

Freshman Mike Martin and first year wrestler senior Joe Thompson both had excellent records of 16-5 and 15-7 respectively. Senior Tim Davis, who wrestled on the J.V. squad all season, came up to the Varsity for the Orange County Championships. At the weight class of 215, he managed to capture the Orange County title and made it to the semi-finals at the Section 9 Meet.



The team is losing only 2 seniors to graduation; so next year, with the strength and experience, it should have little trouble winning the OCL title.

Coached by Sandy Strauss, the J.V. Wrestling Team had a 5-7 record. Many J.V. Wrestlers moved up to the varsity squad, thus hurting its chances of a better season.

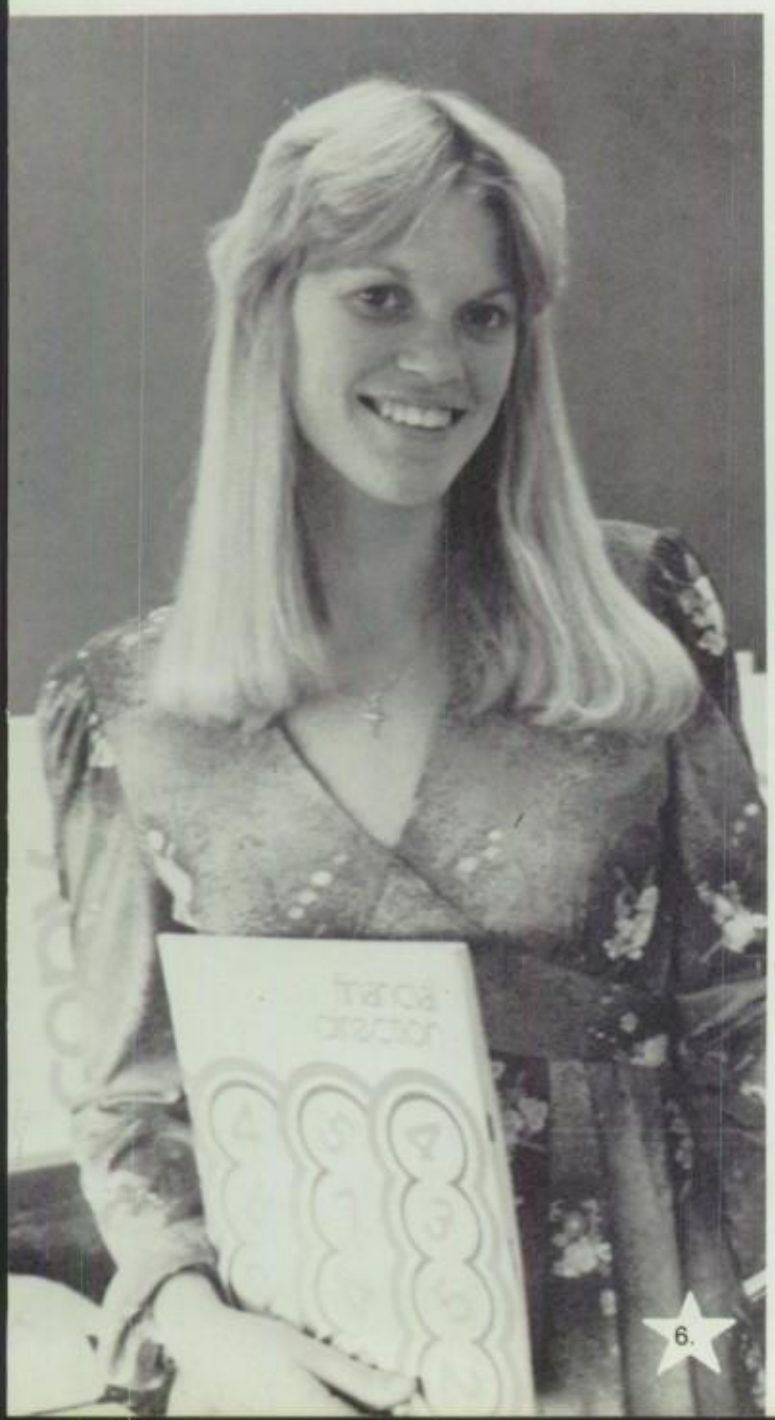
Several changes took place in this year's VIKING LOG. First, there were Tri-Editors instead of the usual Co-Editors. A third color was added to the cover to bring out the Bicentennial in red, white, and blue. Another change was the recording of the scores. They were placed on two pages instead of throughout the sports section.

Once again, part of the staff attended a yearbook conference in October at Columbia University in New York City. They learned about lay-outs, caption writing, and general yearbook organization.

The staff met many many long hours to complete the 1976 VIKING LOG.



Members of the VIKING LOG Staff are: Tri-Editors 1. Nancy Engels, 2. Madelene McCoy, 5. Lori Doughty; 3. Sports Editor, Charlie Davis; 4. Head Photographer, Sam Aidala; 5. # Shiner's Staff's Motto: Facts cause opinions

"Facts Cause Opinions" is the motto that illustrates the *Viking Voice's* staff's desire to present the student body with clear, correct facts so that they can formulate opinions concerning the people and events they encounter in their surroundings.

Under the guidance of Mr. Frank Wallner, the *Viking Voice* set out to become a more worthwhile and readable publication. After attending a rigorous conference at the University of Syracuse, Editor Donna Shiner and a dedicated editorial staff began the arduous task of presenting a greatly improved publication. The big project of the year was a multi issue account of alcoholism and its effects on society. Besides this, large emphasis was also placed on more interesting features articles along with highlights of school news.

Working with Editor Donna Shiner are Business Manager Margaret Kearney, Assistant Editor Ann Swinden and Sports Editor Keith Bond.

# Donohue, Bond, Paules Head REVELATION

Valley Central's literary magazine, REVELATION, is a composite of the best the students have to offer. Art and literary talents shine forth as Literary Editors Keith Bond and Kate Donohue collect and select the most outstanding pieces for publication. Working under the diligent eyes of Mr. John Calvey and Mrs. Jane Gridley, art work and photography is developed to illustrate and complement the writings. The final product is a united whole combining expression and aesthetics, or more simply, a REVELATION.

1. Student's endeavors appear in REVELATION. Here Co-Literary Editors Keith Bond and Kathy Donohue, with Mr. John Calvey, select some material to place in the issue of the literary magazine.

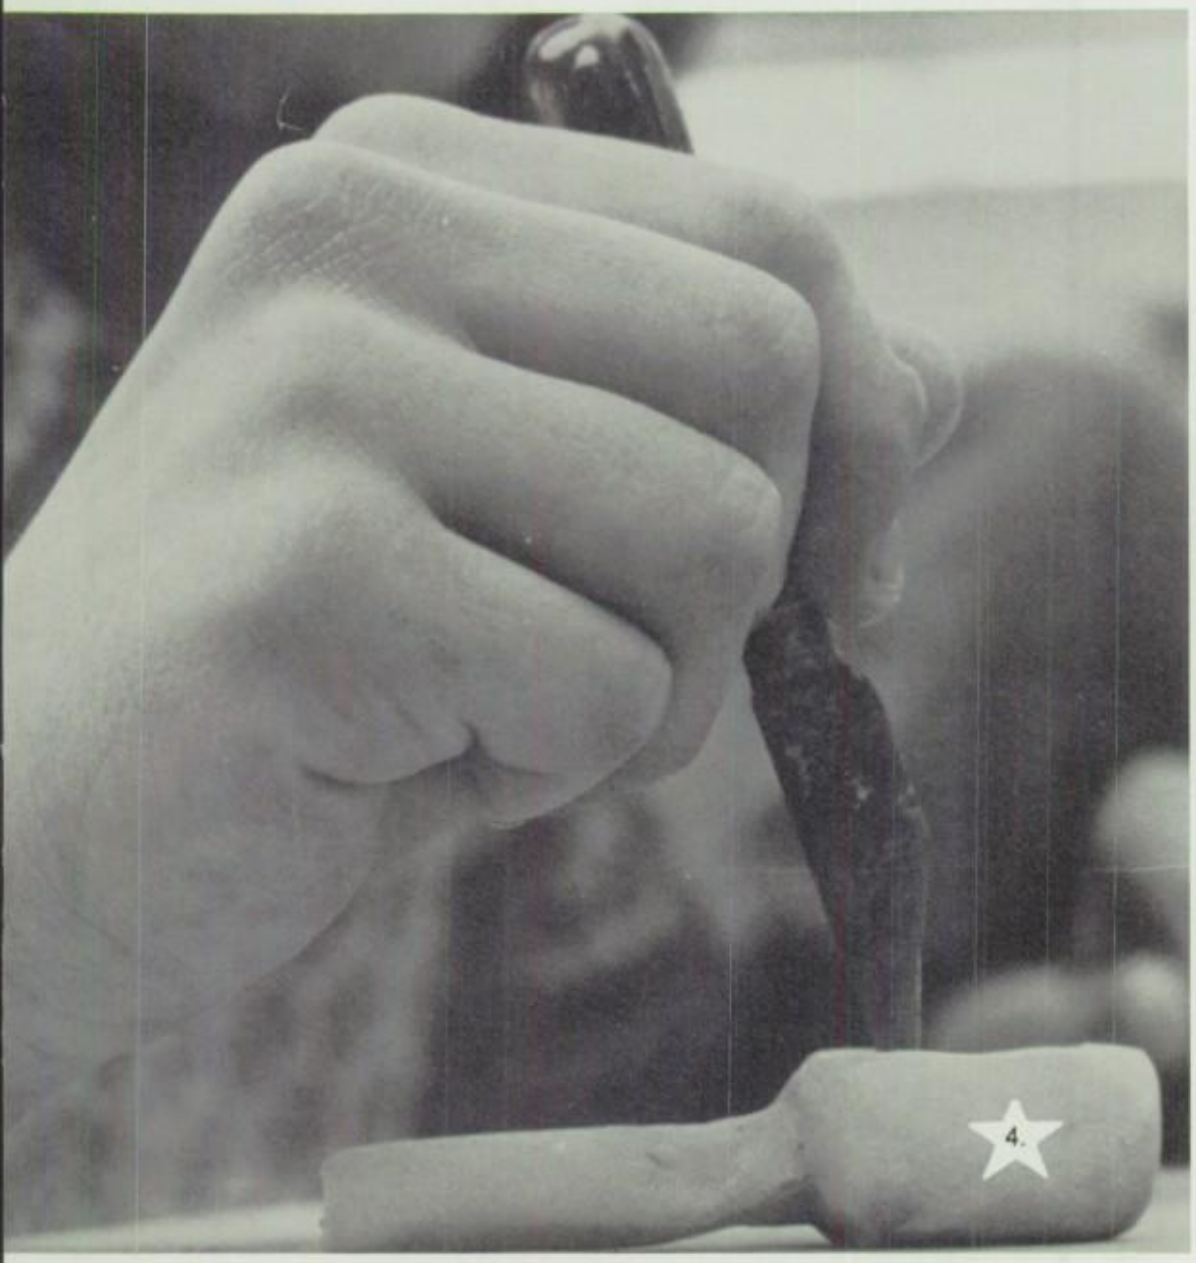
3. Art Editor Theresa Paules asks Mrs. Janet Gridley her opinion of a student's art work.

# Members Make Stuffed Animals



The Art Club started out the year with thirty members but dwindled to a total of fifteen or sixteen active member. Mrs. Carol Maas accounted for the low membership saying that many of the students that are in Art Club are also in other clubs that meet on that same day.

On the whole, the Art Club had more meetings than it had in previous years. The members held a party at Christmas time. One of their many projects included making stuffed animals. In May, the members, along with President Terry Dolloway, Vice President Vicki Lazarra, Secretary Cindy Bolton, and Treasurer Virginia La Porta, enjoyed their annual trip to New York to visit the various museums.

VC's Library Aides perform invaluable services for Miss Nellie Brower and the student body. Some of their various and sundry duties include shelving and filing books, stamping books, alphabetizing, and running errands.

The unsung heroes of each production are members of the Stage Crew, Mr. Robert Brokaw's little helpers. They spend many hours painting, nailing, gluing, drilling, moving sets, and cleaning up afterwards.

FTA was a small dedicated group of future teachers. They volunteered their time as aides in the elementary school.

# FHS, SHS Co-Sponsor Talent Show

Under the direction of Mrs. Mary Digilio and Officers Lori Doughty, President; Diane Stuart, Vice-Preisdent; Alice Swinden Secretary; Brian Paz, Treasurer; and Russell Doolittle, Sgt-at-Arms, the SHS started its year with the induction of new members.

Again, the SHS sponsored its adopted daughter, Vivian Ribson, from Columbia. She has been a "daughter" since she was 8. She is now 15, and this is the final year she is eligible for adoption. The SHS plans to adopt another child in her place next year. Money for this adoption was raised by the Feast of the 3 Kings. Other fund raising activities included bake sales, car washes, and the Annual Talent Show which they co-sponsored with the French Honor Society.

The year ended with a trip to New York City to see a play and to eat in a Spanish Restaurant.

With President Margaret Kearney, Vice President Virginia Barker, Secretary Rebecca Roepe, and Treasurer Gary Smith, the French Honor Society set a new precedent this year. With the help of Advisor Mr. Linford White, the members held a penny social in February. It was a marvelous success.

This honor group also co-sponsored, with the Spanish Honor Society, the annual Talent Show. Despite the snow, there was an excellent turn out. Enough money was earned from this event to finance the group's trip to New York City to see a play and to eat in a French restaurant.

# Smith, Imbriani Make All State Math Team

As the yearbook went to press, it was announced that two members, Gary Smith and Mark Imbriani, of the Math Club were selected for the All State Math Team. This organization is comprised of those students who are interested in math competition. The advisor, Mr. Phil Shafer, selects a team of five members to compete in the monthly meets. Each of these meets consists of five questions, and a relay in which one member's answer is the key to the next person's question.

This year, the Math Team was very successful, thanks to the scores of such people as Gary Smith, Mark Imbriani, Maureen McMahon, Scott Schoonmaker, and Al Swithers.

This brilliant team became champions of its division after a "Sudden Death" tie breaker with the Newburgh Team. Gary Smith broke the tie with the only correct answer out of the ten who attempted it. This sent the Math Club to the sectional meet at OCCC. Congratulations to the team and its advisor.

Members of the winning MATH TEAM are: BOTTOM ROW: Paul Roepe, Lyn Stuhmer, Debra Santora; SECOND ROW: Scott Schoonmaker, Maureen McMahon, Stella Kozireski, Mr. Phillip Shafer; THIRD ROW: Stephen Chace, Mark Imbriani, Gary Smith; FOURTH ROW: Nick Fowler, Jeremy Beaty, Al Swithers.

This year's Quiz Bowl Team, led by Mr. Robert Ciganek, made an impressive showing at their meets. Although not victorious, they posed a serious threat to their opponents throughout the 1976 season. The team will suffer the loss of two seniors, Ralph Greggs and Joe Dolly, this year, but it is hoped replacements will be found that will help to keep the Quiz Bowl Team in such high standing.

This year, Gradus Honoris had its largest memberships with forty-two scholars. After their induction in the spring of their junior year, these new members journeyed to West Point to watch the cadets graduate and to hear President Gerald Ford deliver the Commencement Address.

The year started with the usual fund-raising card sale. The members were grateful for Mr. Eldred Ross' aid in this money making venture.

In the spring, Miss Nellie Brower, the advisor, with the officers President Keith Bond, Vice President Russ Doolittle, Corresponding Secretary Donna Shiner, Recording Secretary Kathy Donohue, Treasurer Betty Kirk, and members spent a fun-filled day at the Concord Hotel.

Beta Tau started out the year by inducting seventeen new members, fourteen juniors and three seniors, to make a total membership of thirty-six students. It is mainly a discussion society whose members are chosen on basically class participation and grades from their tenth and eleventh grade social studies classes. Officers for the 1975-76 school year were: Pete Herries, President; Alan Cleveland, Vice-President; Debbie Santora, Treasurer; Alice Swinden, Secretary; and Mr. Edward Hart, Advisor.

Some of the topics discussed were gun controls, the legalization of marijuana, the Angolan crisis, the pros and cons of capital punishment and whether the government has the right to censure journalists.

Headed by Mr. Eldred Ross, the 1975-76 Enrichment Program had the opportunity to experience many cultured activities throughout the school year.

In the early part of the year, the group saw a Broadway play at the Barrymore Theater. They also attended lectures at OCCC where they heard notable people including N.Y. Congressmen.

They concluded the year by listening to the New York Philharmonic at Lincoln Center. It is hoped that by participating in this program these students will continue their interest in the arts.

# Athletic Groups Keep Busy

After many years of absence, a swimming organization returned to Valley Central. The Swim Club is the brainchild of Miss Patricia Davis, the Special Education teacher. Together with Mr. Hugh Hurst, Miss Davis arranged for use of the pool at Stewart Field in Newburgh for a few hours once a week.

During the second semester, Red Cross Junior and Senior Life Saving classes began, and there was a large turnout.

This year the Swim Club was an experimental program, basically a non-school function. Buses and the use of the pool had to be paid for by the students and Miss Davis. Next year, if the club proves to be successful, it will be put on the school budget.

V.C.'s Varsity Club was led by the hand of Tom Focarile with aid from Mr. Hugh Hurst, the athletic director. The major goal of the Varsity Club was to raise money to help the continuation of the S. John Marone Memorial Scholarship Fund. They achieved this by selling Viking socks and jackets. They also sponsored a basketball game between the faculty men and an all women's squad, the Arkansas Gems.

With Miss Elizabeth Aumueller and Mr. Gilbert Boyd as chaperons, the Ski Club's main purpose was to go skiing at Holiday Mountain.

4. With candy bar in hand, Judy Vano, one of the top candy salesman, convinces Suzie Imbriani she should buy a candy bar.
5. Besides showing the movie AMERICAN GRAFFITTI, SGA also sold food to please the taste buds.
6. Sparks flying and spirits rising were the basis for this year's pep rally.
7. As the SGA donates a wheel chair and oxygen to Mrs. Jean Schmitt, the school nurse, they realize it better to give than to receive.

Thanks to the relentless efforts and great spirit of the Student Government Association's President Donna Kirchner, Vice President Sam Aidala, Secretary Stacy Brescia, Treasurer Irene Johansen, and Advisor Mr. Gerald Graf, a revival of interest happened for this organization this year.

Different events such as a successful Homecoming Weekend, school dances, and the movie AMERICAN GRAFFITTI helped to spark the increased attendance at meetings and functions.

In addition to these activities, the SGA also sponsored many spectator buses. These buses carried enthusiastic fans to and from away games. The SGA also sponsored its annual candy sale to raise money for the various organizations.

# Volunteers Provide Valuable Service

Dedicated to helping the administration, faculty, other personnel, and students, the Office and Guidance Service Clubs are an asset to the school. A handful of members willingly run errands, deliver The *New York Times,* and daily bulletin, collect attendance cards, sort mail, collect detention slips, and do countless other duties. Besides these duties, they assist the secretaries in any way they can.

1. Members of the Guidance Service Club are: SITTING: Debra Wheeler, Mrs. Lucille Bennett, Mrs. Irma Feld, Diane Stuart, Theresa Hart, Gianna Formisano; STANDING: Yvonne Andrews, Susan Rusch, Sue McIntyre, JoAnn Crist, Donna Martindale.

7. Some really good music comes from Jim Morris' horn.
8. Yes, there are many rehearsals before the band comes up with that right sound.

At the start of each year one can always see the band, under the direction of Mr. Nash and Mr. DeFrancisco, playing at the home football games and pep rallies. After the football season, however, the band undergoes some drastic changes. From the marching band of 120 members, which requires no audition to be a member of, the band divides into three smaller groups. These are the Wind Ensemble, the Concert Band, and the Repertory Band. The Wind Ensemble and the Concert Band consist of sixty and ninty-five members respectively, and it is necessary to audition to be a part of these bands. There are forty-five members in the Repertory Band and, in this case, no audition is required. These three bands perform two or three concerts yearly and participate in area parades. Also some small ensembles are formed to perform at the concerts.

# Many Parts Make Up the Band

This has been a very active year for the Chorus and A Cappella Choir under the direction of Mr. Donald Romme.

December was a busy month for Valley Central's songsters. The Chorus presented its annual Winter Concert while the A Cappella Choir sang for the tree lighting ceremony at Orange County Park and for the Historical Society.

High point of the year was the chorus's performance of *Paint Your Wagon*. The group's final presentation was the Spring Concert.

In 1783, Washington made a Farewell address to his troops at the New Windsor Cantonment on Temple Hill. He was relieved at the war's end and excited at the prospect of going home. As he addressed his men, he saw hope for the future of the new republic.

At the graduation ceremonies, one can see the same feelings of hope on the faces of the Board of Education members, administration, teachers, family and friends as they review the graduating class. They see, in these young men and women, the strength and power to further develop this growing nation — the same strength that Washington saw on August, 1783.

1. Council member Wayne Pederson discussed important matters during a council meeting.
2. "Do you like the color I'm going to paint this," asks Nina Crawley.
3. Social Studies Class is very interesting as Rusty Gresham listens attentively.

1.

2.

3.

1. During the Senior — Faculty game, some faithfuls worked in the kitchen. One such person was Fran Rongo.
2. Not many people can play the bagpipes as Robin Autorino can.
3. "Smile," thinks Jenny Jeltsch before the camera takes her picture.
4. "Don't you dare!" exclaims Kathy Doulin at the senior social.

2.

1. Class must be very interesting as seen by Dawn Maroney's face.
2. We're finally done with the float and I'm pooped! remarks class president John Upchurch.

# VIKING LOG Staff Thanks Many

In order to put the 1976 VIKING LOG together, the Staff required the help of many people. Many students besides staff members did the many tedious chores such as identifying and stamping pictures, indexing, labeling copy sheets and envelopes and gathering information on faculty members, clubs, and sports.

Thanks to Mr. George Davis and Mr. Dave Vaugh of Davis Studio, pictures were developed in record time. Mr. Vaugh's expertise is also accountable for all student portraits, group pictures, and some marvelous candid shots.

The Staff would also like to thank Mr. Victor Haggar for allowing the Staff to go to New York City to attend the yearbook conference at Columbia University, and for allowing members to work with the photographer.

A special thanks to three typists, Donna Martindale, Fran Rongo, and Darlene Dorner, who volunteered to do most of the typing.

Many thanks to Mr. Calvey's third period AP class who did a lot of writing that appears in this book.

Many thanks to members in the guidance office and front office for their assistance when the Staff needed it.

As always, the community helped a great deal. From THE CITIZEN HERALD, the Staff wishes to thank Mr. and Mrs. Ray Dulye and Mr. Joe Hartman for sports pictures, and Mr. Dick Ambrose for assisting the Staff with the history section and for putting up with many interruptions. A special thanks to Mr. Bo Gill of THE EVENING NEWS for the many exciting sports pictures.

The history section was a labor of love. The Staff would like to extend special thanks to many people who gave the Staff the necessary information. They are Mrs. Amy Bull Crist, the Hill Family, Miss Margaret Park, the people at Temple Hill and Washington's Headquarters, Montgomery Library, and Newburgh Library. Without their assistance, it would have been impossible to include the history section in the book.

This year, THE VIKING LOG had a new representative. The Staff wishes to thank Mr. Dale Alger for the assistance he gave.

Finally the Staff wishes to extend its own personal thanks to Miss Lena Lease. Through her wit and "gentle" proddings, she kept the Staff going when they wanted to call it quits. She spent a fortune feeding members during those Sunday work sessions. The Staff learned much from her; not only about the yearbook, but about getting along with people and the importance of dedication and responsibility. Miss Lena Lease, thank you most of all.

# Balmville Tree . . . 1699

Because this is the Bicentennial Year, everyone is starting to search for some bit of Revolutionary history so as to include themselves in the general celebration. This area is rich with local history, and the people are indeed fortunate that it is so available to them.

The heritage of this region is apparent to anyone who looks. Montgomery is named after General Richard Montgomery who died during the Canadian campaign of the Revolutionary War. Cadwalleder Colden, Lt. Governor and acting Governor of N.Y. State during the Revolution, lent his name to Coldenham, where the ruins of his son's house still stand.

There are many historical sites to remind local residents of their heritage. Washington's Headquarters in Newburgh, the New Windsor Cantonment, and the Bull House in Hamptonburgh are a few. Numerous gravestones marking the heroes of the Revolution abound in the graveyards of old churches.

In this section, the Staff will provide for you a history book for the local area. Included are pictures and descriptions of local historic places, events and objects.

1. In 1699, there was said to have been planted a "Balm-of-Gilead" tree in the Crossroads of some Iroquois trails. The tree was planted, so legend goes, as a symbol of brotherhood and peace between the tribes. Scientists say the tree is a cottonwood tree that self started after a fire cleared the area of all vegetation. At any rate, the Balmville tree is one of the oldest trees in the Northeast. This venerable tree is 24'10" in circumference and 85' to 90' high. There are many legends surrounding this tree. One is that Matthew Vassar, then a poor runaway, slept underneath the tree in 1808. Later, he acquired a fortune and founded Vassar College in Poughkeepsie. Another popular legend said that the tree sprang up from a discarded riding crop belonging to George Washington when he stayed in Newburgh from 1782-83. Then the local residents found out that the tree was much older than Washington.
2. At the corner of Wait and North Montgomery Streets stands the Walden House. The land for the house was bought from the Gatehouse Patent Company in 1719. The house was named after Jacob T. Walden, a New York shipping merchant who came to this area and developed some of the industrial sites of Walden. Today, the Walden House is in the hands of the Walden Historical Society.

# Bull Family, One of the Oldest in Orange County

★★★★★★★★★★★★★★★★★★★★★★★★★★★

As great contributors to the Heritage of Orange County, no history would be complete without a mention of the Bull family of Hamptonburgh.

This family descends from Sarah Wells, an orphan from New Jersey, and William Bull of Wolverhampton, England. Little is known about the early life of William. He came in 1689 as an immigrant from Ireland to American when he was a young man. He was told the wrong amount of fee for the crossing, and consequently he had to stay on the ship in New York harbor. It was some time before Dannie Cromlin, a builder from Orange County, came on the ship in search of Irish laborers. There he met William and hired him. They traveled to the Goshen area and settled near the Otterkill. It was there he met Sarah Wells.

Sarah Wells was adopted by Madam and Mr. Christopher Denn. When she was 16 years old, Christopher sent her, along with two Indian guards, to what is now Goshen. She carried the distinction of being the first white woman to settle in the Goshen area. Sarah was sent ahead of Christopher and Madam Denn to oversee construction on the Denn's home.

William and Sarah met and fell in love. Because of the need for homes and farms in the area in order to settle it, the then-normal 7 year courtship was ignored and they were married within a few months.

Today, there are at least 4500 descendants of William and Sarah. Through a Bull family association, newsletters and bulletins keep the family in touch with each other around the world.

Sarah Wells Bull died April 21, 1796, at the age of 102 years and 15 days.

1. This barn still stands on the Bull property. It goes back to the 1700's.
2. Hill Hold House was built in 1769. It is located in the Tom Bull Park.
3. A descendant of the Bull Family is Mrs. Amy Bull Crist. She served as Superintendent of Schools from 1924-1974. She was instrumental in the formation of the Valley Central school system.

# Washington Slept Here

★★★★★★★★★★★★★★★★★★★

During the Revolutionary War, George Washington used many headquarters. However, the most well-known one was the one located in Newburgh, N.Y. This was his official residence for a longer period than any other.

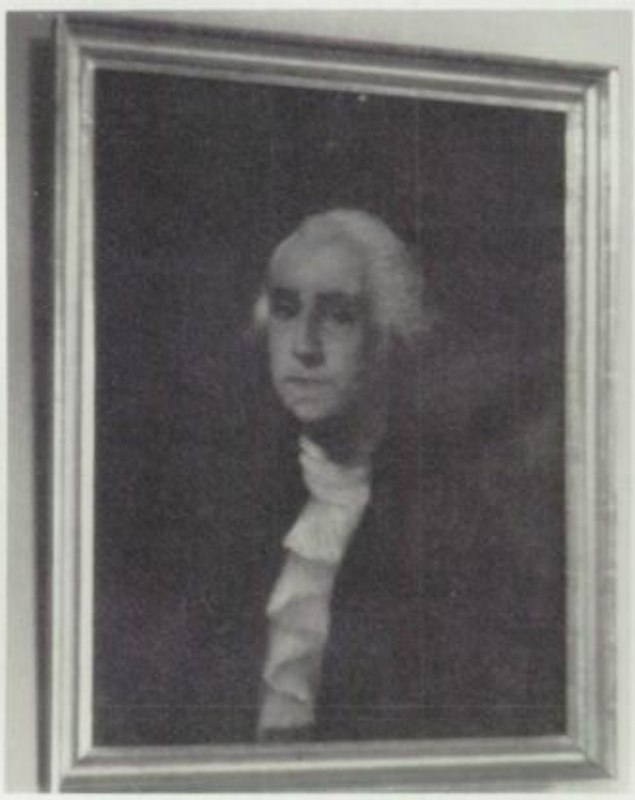
Washington remained here from the time Cornwallis surrendered at Yorktown, Virginia, to the actual end of the war. With Martha Washington at his side, he resided here from 1782 to August, 1783.

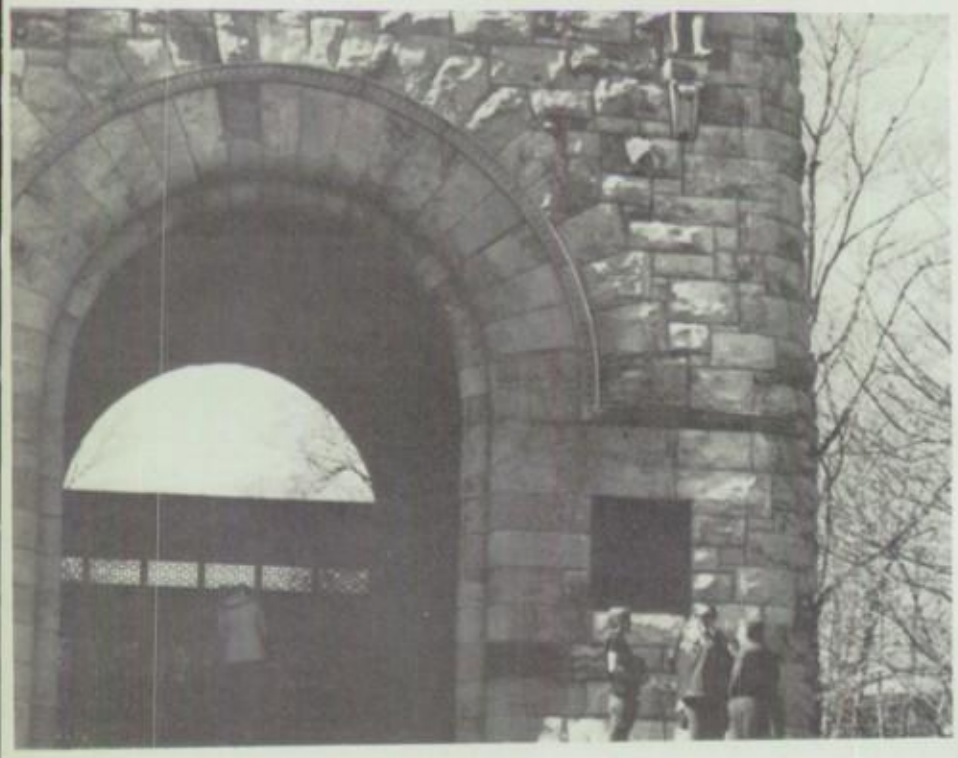
In 1725, the Hasbrouck House, as the headquarters is named, was erected by a successful farmer and merchant named Jonathan Hasbrouck of New Paltz for his new bride. He became a militia colonel during the Revolutionary War. However, due to ill health, he had to withdraw from military duty in 1778 and he died in 1780.

After the victory at Yorktown, the main American army was encamped at New Windsor Cantonment. Therefore, suitable headquarters had to be found for General Washington. Since the Hasbrouck House was the best house in the area, it was decided that Washington would stay there. Reluctantly the Widow Hasbrouck left her home to live with relatives.

With the help of ten servants, Martha Washington supervised the operation of the household and welcomed many distinguished guests. She enjoyed planting a flower and herb garden.

It was here that Washington received a letter from Colonel Lewis Nicola. It stated that the officers would support Washington if America were to become a monarchy with him as King. Here, too, Washington prepared his replies to the "Newburgh Letters" circulated by the Officers at the Cantonment. They wanted to establish a military dictatorship. On May 3, 1783, Washington conferred the first Purple Heart. The state acquired the Headquarters in 1850. It has been restored to what was the appearance at the time of Washington's residence.





★★★★★★★★★★★★★★★★★★★★★

A ferry was started between Newburgh and Beacon in 1743. It had its greatest use during the Revolution, though, when it served as a main route between the Northeast and the rest of the colonies.

# Montgomery Academy . . . 1787

# Montgomery House . . . 1790

1., 2. In 1787, a group of prominent citizens from Walden and Montgomery petitioned the newly formed Board of Regents at the State University of New York. These people wanted their sons to receive a better education than they were getting, and so was formed the Montgomery Academy in 1791. Students from Berea, Walden, Pine Bush, and other neighboring communities were invited to attend. This academy, which now houses the Montgomery Free Library and public offices, is the fourth oldest academy in the state.

3. One of the oldest houses in Montgomery is the Montgomery House. The side wing of the house was built in 1771 by Hans Smith, a German Palatine. Johannes Miller built the main section of the house about 1790. The architecture is a fine example of a transition style from Georgian to Federal.

The land that is known as the Town of Montgomery was divided into grants which were given to certain individuals. Among those who received grants were Cadwallader Colden in April of 1719; Henry Wileman on June 30, 1712; and David Gallatian on June 4, 1710. Henry Wileman settled upon his patent soon after its purchase in 1712. He and Colden set up a settlement to the east and north of the village with the Church of England at St. Andrews. Presbyterian and Lutheran communities were also set up with predominantly Scot-Irish and German settlers respectively.

Montgomery was at first called the Precinct of Shawangunk in Ulster County. General Richard Montgomery and his wife, Janet Livingston, lived in Annadale, just below Blithewood, for two years before he left for Canada to fight in The Amercian Revolution. He died in battle. After the Revolution, the name of the town was changed to the Township of Montgomery in honor of this gallant general who died at the Battle of Quebec.

On July 7, 1818, a steamboat carried the remains of Richard Montgomery from a temporary grave in Quebec to St. Paul's Church in New York City. As the boat sailed down the Hudson, it paused at Montgomery Place as a tribute to the hero's widow.

The most prominent Orange County citizen of the Colonial Era had to be Cadwallader Colden of Coldenham. He resided in the township of Montgomery from 1727-1760. Colden was a renowned physician, surveyor, botanist, scientific experimenter, author, and he also served as Governor of the province. Colden also built the first canal in the U.S.A. on his Coldenham farm to transport his farm ware. Another important contribution of his was his book, *History of the Five Indian Nations.*
